Thanks, Kimberly. Ironically, it's my middle finger ... probably broke it expressing my opinion of out of control off leash dog visitors. Howard

Hi Howard!

I'm so sorry to hear about your finger, hope it's not broken :(

Let's check in next week, Sarah and I need to regroup and I will send ongoing meeting invites.

Feel better.

Kimberly

Hi Kimberly and Sarah: Do we have a G&G 2015 local SF committee call today? If so, may I ask if it can be pushed back to 4:30 PM? It appears I may have broken a finger and have an appt at Kaiser at 3:10 PM today. Please advise. Also please send on the conf #. Thanks. Howard
