

SALES TERMS AND CONDITIONS

Unless otherwise specifically agreed to in writing by Seller, these Sales Terms and Conditions shall apply to any and all orders placed by Buyer for lighting products or services for Seller. **BigBox Lighting, LLC** is referred to as “**Seller**” and the party who accepts Seller’s proposal or to whom Seller’s order acknowledgement is addressed is referred to as “**Buyer**.” The manufacturer of all lighting products sold by Seller is **ForeverLamp, Inc.**, who is referred to as the “**Manufacturer**”.

1. **ACCEPTANCE OF ORDERS.** Seller’s acceptance of all orders, offers and sales are subject to and expressly conditioned upon Buyer’s assent to the terms and conditions of the Agreement. The term “Agreement” means, collectively, these sales terms and conditions, Seller’s quotation or proposal to Buyer, if any, and Seller’s order acknowledgement (the terms “quote” and “proposal” are interchangeable). Buyer’s acceptance of any offer by Seller must be made on such terms and conditions exactly as offered by Seller. Any of Buyer’s terms and conditions that are different from or in addition to those contained in the Agreement are objected to by Seller and shall be of no effect unless specifically agreed to in writing by Seller. Commencement of performance or shipment shall not be construed as acceptance of any of Buyer’s terms and conditions which are different from or in addition to those contained in the Agreement. If a contract is not earlier formed by mutual agreement in writing, acceptance by Buyer of products or services furnished by Seller pursuant hereto shall be deemed Buyer’s assent to all of the terms and conditions of the Agreement.

The Agreement shall be governed by the laws of the State of South Carolina as if made and to be performed entirely within such state. The UN Convention on the International Sale of Goods shall not apply. All prices and Dollar amounts are expressed in U.S. dollars.

2. **ORDERS AND PRICES.** Proposals for Seller to supply products to Buyer are valid for 30 days from issuance unless otherwise agreed to by Seller in writing. **Orders may not be cancelled or modified, either in whole or part, without Seller’s express written consent.** If Seller consents to any order modification or cancellation, it may impose an order modification or cancellation fee. All prices are as stated in Seller’s quote and specifically override any prices referenced in Buyer’s purchase order. Prices for orders for immediate shipment are prices in effect at time of receipt of order. Qualifying orders specifying future delivery will be invoiced at prices and terms in effect at time of shipment. **The prices stated in the Agreement do not include transportation, insurance or any sales, use, excise or other taxes, duties, fees or assessments imposed by any jurisdiction. All applicable taxes will be paid by Buyer, unless Buyer provides Seller with appropriate tax exemption certificates** (in which case taxes covered by such certificate shall be exempt), and Buyer hereby indemnifies Seller for all taxes, costs, fees, expenses, penalties, and other charges if Buyer cannot provide adequate evidence that it remitted the applicable sales tax to the destination state. Any amounts paid at any time by Seller that are the responsibility of Buyer shall be invoiced to Buyer and reimbursed to Seller. All prices and other terms are subject to correction for typographical or clerical errors.
3. **TERMS OF PAYMENT.** All payments shall be in U.S. dollars. Buyer shall pay for products in cash upon delivery, unless an earlier or later time for payment is specified in the proposal or order acknowledgement (in which case payment shall be due at the time so specified). Each shipment shall be considered a separate and independent transaction and payment for each shipment shall be due accordingly.

Seller may, at its option, elect to extend credit to Buyer. There are no discounts for early payment. If Seller extends credit to Buyer, invoices will be issued upon shipment and payment shall be due in full within thirty (30) days from the invoice date or such other date specified in the Agreement. Seller reserves the right to change the amount of or withdraw any credit extended to Buyer.

Unless otherwise specified in the Agreement or agreed to in writing by Seller, amounts owed for services will be invoiced monthly or, if sooner, upon completion of the associated work. Payment of such invoices is due within thirty (30) days from the invoice date.

Amounts not paid when due shall be subject to interest at the rate of one and one-half percent (1½%) per month or, if less, the maximum rate permitted by law.

In the event of the bankruptcy or insolvency of Buyer, or the filing of any proceeding by or against Buyer under any bankruptcy, insolvency or receivership law, or in the event Buyer makes an assignment for the benefit of creditors, Seller may, at its election and without prejudice to any other right or remedy, exercise all rights and remedies granted Seller in Section 7 as in the case of a default by Buyer under the Agreement.

4. **DELIVERY, TITLE AND RISK OF LOSS.** Unless otherwise agreed to in writing by Seller, products shall be shipped EXW Manufacturer’s manufacturing facilities or inventory hub (Incoterms 2000) to any location designated by Buyer (subject to Section 15) and shall be deemed delivered to Buyer when delivered to the transportation company at the shipping point. Unless otherwise agreed to in writing by Seller, all transportation charges and expenses shall be paid by Buyer, including the cost of any insurance against loss or damage in transit which Seller may obtain at Buyer’s written request. Seller reserves the right to ship products freight collect. Each individual order having a net value of \$2,500 or more will be shipped prepaid or freight allowed to destination on shipments within the continental United States via routing of Seller’s or Manufacturer’s choice, but Buyer is responsible for all insurance and any sales, use, excise or other taxes, duties, fees or assessments imposed by any jurisdiction. Orders with a net value of less than \$2,500 will be charged the actual shipping expense. If special routing or expedited transportation is requested, the Buyer will assume any additional expense. Seller hereby reserves, and Buyer hereby grants to Seller, a purchase money security interest in all products purchased under the Agreement, together with all proceeds thereof, including insurance proceeds. Such security interest secures all of Buyer’s obligations arising under the Agreement, and any other agreements between Buyer and Seller, until all amounts due Seller have been paid in full. Buyer hereby authorizes Seller to file appropriate financing statements evidencing Seller’s security interest.

Subject to the security interest reserved to Seller, title and risk of loss and/or damage to products shall pass to Buyer upon delivery of the products to the transportation company at the shipping point. Confiscation or destruction of or damage to products shall not release, reduce or in any way affect the liability of Buyer. In the event Buyer rejects or revokes acceptance of any products for any reason, all risk of loss and/or damage to such products shall nonetheless remain with Buyer unless and until the same are returned at Buyer’s expense to such place as Seller may designate in writing.

All products must be inspected upon receipt and when there is evidence of shipping damage, either concealed or external, any claims by Buyer must be pursued directly against the transportation company.

5. **PERFORMANCE.** Seller will make a reasonable effort to observe the dates specified herein or such later dates as may be agreed to by Buyer for delivery or other performance, but Seller shall not be liable for any delay in delivery or failure to perform due to acceptance of prior orders, strike, lockout, riot, war, fire, acts of God, accident, delays caused by any subcontractor or supplier or by Buyer, technical difficulties, failure or breakdown of machinery or components necessary for order completion, inability to obtain or substantial rises in the price of labor or materials or manufacturing facilities, curtailment of or failure to obtain sufficient electrical or other energy supplies, or compliance with any law, regulation, order or direction, whether valid or invalid, of any governmental authority or instrumentality thereof, or due to any circumstances or any causes beyond its reasonable control, whether similar or dissimilar to the foregoing and whether or not foreseen. As used herein, "performance" shall include, without limitation, fabrication, shipment, delivery, assembly, installation, testing and warranty repair and replacement, as applicable.

Buyer agrees that any delay in delivery or failure to deliver or perform any part of the Agreement shall not be grounds for Buyer to terminate or refuse to comply with any provisions hereof and no claim or penalty of any kind shall be effective against Seller for such delay or failure; provided, however, that if the delay or failure extends beyond two hundred (200) days from the originally scheduled date either party may, with written notice to the other, terminate the Agreement without further liability for the unperformed part of the Agreement.

6. **ACCEPTANCE.** All products delivered hereunder shall be deemed accepted by Buyer as conforming to the Agreement, and Buyer shall have no right to revoke any acceptance, unless written notice of the claimed nonconformity is received by Seller within forty-five (45) days of delivery thereof. Notwithstanding the foregoing, any use of a product by Buyer, its agents, employees, contractors or licensees, for any purpose, after delivery thereof, shall constitute acceptance of that product by Buyer.

Due to the uncertainty regarding the amount of rejected parts that will be encountered in manufacturing any special made-to-order or custom product, orders will be considered complete if final quantities are within +/- 10% of order quantities. Overruns and shortages within 10% of order quantity will be shipped and invoiced.

Invoiced overages and product shortages must be reported within forty-five (45) days of invoice date. **Any discrepancy not reported within forty-five (45) days will not be considered for an adjustment.**

7. **DEFAULT AND TERMINATION.** Buyer may terminate the Agreement if Seller materially defaults in the performance of its obligations hereunder and fails to cure such default within sixty (60) days after written notice thereof from Buyer. Such termination shall be Buyer's sole remedy in the event of a default by Seller.

Buyer shall be deemed in material default under the Agreement if Buyer fails to pay any amounts when due hereunder, cancels or attempts to cancel the Agreement prior to delivery or refuses delivery or otherwise fails to perform any of its obligations hereunder or fails to pay Seller any sums due under any other agreement or otherwise. In the event of a material default by Buyer, Seller may, upon written notice to Buyer, (1) suspend its performance and withhold shipments, in whole or in part, (2) terminate the Agreement, (3) declare all sums owing to Seller immediately due and payable, and/or (4) recall products in transit, retake same and repossess any products held by Seller for Buyer's account, without the necessity of any other proceedings, and Buyer agrees that all products so recalled, taken or repossessed shall be the property of Seller, provided that Buyer is given credit therefor. Exercise of any of the foregoing remedies by Seller shall not preclude exercise of any other remedies, and neither the existence nor exercise of such remedies shall be construed as limiting, in any manner, any of the rights or remedies available to Seller under the Uniform Commercial Code or other laws, or in equity.

8. **INTELLECTUAL PROPERTY RIGHTS.** The sale of products or provision of services hereunder does not convey any express or implied license under any patent, copyright, trademark or other proprietary rights owned or controlled by Seller or Manufacturer, whether relating to the products sold, service provided, or any manufacturing process or other matter. All rights under any such patent, copyright, trademark or other proprietary rights are expressly reserved. Buyer agrees not to infringe, directly or indirectly, any patents of Seller or Manufacturer, or their respective subsidiaries with any combination or system incorporating a product sold hereunder.

9. **WARRANTY AND DISCLAIMER.** The sole warranty with respect to the products shall be the limited warranty provided by Manufacturer. Such warranty shall be as specified on documentation provided by Manufacturer in connection with the products, and for consumer products is contained in or on the packaging containing the products. Manufacturer may modify its limited warranty at any time in its sole discretion. Except as may be expressly provided in the Agreement, in no event shall Seller be obligated in connection with Manufacturer's warranty and makes no warranty with respect to the products above and beyond the Manufacturer's limited warranty. Seller's sole obligation in connection with Manufacturer's limited warranty shall be to cooperate, in a commercially reasonable manner and without being required to expend any of its own funds, with Buyer in connection with any rightful warranty claims related to the products. Further, and for the avoidance of any doubt, **SELLER HEREBY DISCLAIMS ANY AND ALL WARRANTIES OF ITS OWN WITH RESPECT TO THE PRODUCTS, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT.**

10. **LIMITATION OF LIABILITY AND CLAIMS.** SELLER'S AGGREGATE LIABILITY IN DAMAGES OR OTHERWISE SHALL IN NO EVENT EXCEED THE AMOUNT, IF ANY, RECEIVED BY SELLER HEREUNDER. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL OR SPECIAL LOSS OR DAMAGES OF ANY KIND, HOWEVER CAUSED, OR ANY PUNITIVE, EXEMPLARY OR OTHER DAMAGES. NO ACTION, REGARDLESS OF FORM, ARISING OUT OF OR IN ANY WAY CONNECTED WITH THE AGREEMENT OR PRODUCTS OR SERVICES FURNISHED IN CONNECTION WITH THE AGREEMENT MAY BE BROUGHT BY BUYER MORE THAN ONE (1) YEAR AFTER THE CAUSE OF ACTION FIRST ACCRUES.

11. **ENTIRE AGREEMENT.** This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations, proposals, agreements and understandings, whether oral or written, relating to the products to be purchased hereunder or otherwise relating to the subject matter of the Agreement. Any representation, warranty, course of dealing or trade usage not expressly contained or referenced herein shall not be binding on Seller.
12. **ATTORNEY'S FEES.** In the event of default in payment of the purchase price or any part thereof, Buyer agrees to pay Seller's expenses, including reasonable attorney's fees and expenses, incurred by Seller in enforcing payment thereof, including all expenses incurred in connection with any arbitration or judicial proceeding.
13. **ARBITRATION.** Any controversy or claim (including, without limitation, any claim based on negligence, misrepresentation, strict liability or other basis) arising out of or relating to the Agreement or its performance or breach, which involves an amount in excess of \$50,000 (exclusive of interest and costs), shall be settled by arbitration in accordance with the Rules of Conciliation and Arbitration of the International Chamber of Commerce, if arbitration is demanded by either party. The location of the arbitration shall be Charleston, South Carolina or such other location as Seller shall designate. The decision in such arbitration shall be final and binding and any award rendered thereon may be entered in any court having jurisdiction.
14. **ASSIGNMENT.** Buyer shall not assign or transfer any rights or claims under the Agreement without the prior written consent of Seller, and any purported assignment made without such consent shall be void. The Agreement shall be binding upon and shall inure to the benefit of the successors and permitted assigns of the parties.
15. **EXPORT CONTROL.** Any export of the products, and any technical information related thereto, may be subject to United States and/or other national or international (e.g., UN) laws and regulations controlling the export and re-export of technical data and products, or limiting the export of certain products to specified countries (e.g., embargo regulations). Seller shall not be obligated under the Agreement to export, transfer or deliver (or cause the export, transport, or delivery of) any products or related technical information to Buyer if prohibited by applicable law or until all necessary governmental authorizations have been obtained. Seller shall not be liable under the Agreement for any expenses or damages resulting from failure to obtain or delays in any party obtaining any required government authorizations. Buyer shall comply fully with all export administration and control laws and regulations of the U.S. government and/or other national or international (e.g. UN) laws and regulations as may be applicable to the export, re-export, resale or other disposition of any products purchased from Seller.
