1Hood Media, Unappreciated Management, and Voices Against Violence Host Antwon Rose II Benefit Concert

Pittsburgh, PA - 1Hood Media, Unappreciated Management, and Voices Against Violence are hosting an Antwon Rose II Benefit Concert at Ace Hotel in East Liberty this Wednesday, April 10. The impressive lineup includes Atlanta-based MC Sa-Roc along with Pittsburgh’s own Hardo, Benji, Livefromthecity and DJ Femi. The concert will take place from 7-10 PM. Tickets are $15 and all proceeds will go to Antwon Rose II’s family.

In the wake of the Antwon Rose II verdict, the community rallied together to protest the acquittal of Micheal Rosfeld in the shooting death of the unarmed 17-year old. We are inviting the community to join us in solidarity again, this time in celebration of Antwon and to aid his family during this difficult time. “We want to see the community of Pittsburgh under one roof,” says Chrisarah Johnson, co-founder of Unappreciated Management and the event’s co-organizer. “Bringing together the most popular artists in the city represents the unity in our communities and how we stand for & with Antwon Rose and his family.”

1Hood in an organization that promotes collective power and understands that intersecting art and activism can act as both catharsis and healing. This benefit concert is a reflection of that. “I'm thankful so many incredible artists are coming together and donating their talents to help Antwon’s family”, says Jasiri X, 1Hood Media CEO and the benefit’s host. “It’s powerful to see us use our various platforms to speak with one voice demanding justice for Antwon.”
Tickets can be purchased online. Attendees can also make additional donations in person during the event. A cash bar will be available. Doors open at 6 PM. For additional questions or comments, please contact Tye Clarke.
