Milk and cookies 6

SHRUBS

Well over 2000 years ago, the Roman armies were drinking a mix of sour wine (i.e. vinegar) with honey, water, and herbs that they called a "Posca". Fast forward to 18th century New York, where flavouring water with fruit preserved in vinegar became all the rage and the shrub was born.

Refreshing, unique, mouthwatering.
Topped with soda

| | |
|--|---|
| Raspberry w cloves & pink peppercorns | 8 |
| Lemon w kaffir lime, grapefruit and lime | 8 |
| Cucumber & mint | 8 |

Excellent with your favourite spirit!! +8
