Dear Families,

Thank you for choosing the Living Arts “Young Apprentices” Homeschool Enrichment Program. We know that you have a number of wonderful programs to choose from, and we are excited to welcome your family to Living Arts, now in our 5th year. This year we are moving to a year-long program model, in order to better serve our students by creating a consistent and close-knit community of learners who will make and do together, over the entire 2018-2019 school year.

If you have a question about whether your child is ready to attend Living Arts, please contact us at info@livingartsschool.com or 720-383-4406.

See you this fall at the Living Arts classroom at McCauley Family Farm in Longmont.

Warmly,

Elizabeth Uhrich, Director

Year-Long Program Policies

Early Withdrawal

If you find yourself needing to withdraw your child(ren) from Living Arts prior to the end of the school year, you will be refunded your remaining tuition, minus a 2 month tuition penalty (equal to \$500). If you provided postdated checks for the school year, your remaining checks will be shredded, minus a 2 month tuition penalty (equal to \$500).

Rolling Admission

As we have always done, we will accept students on a rolling basis throughout the school year, as long as we have space remaining in the program. If you enroll after the beginning of the year, your tuition will be prorated accordingly, to account for any missed weeks.

Credit Card Payments

We are happy to accept credit card payments for those families who are paying for the entire school year by August 1st, 2018. All payments after that date will be accepted in the form of checks, unless a family is willing to pay the 3.5% credit card fee.

Staffing Change

In the unforeseen circumstance that the Program Teacher would need to change at some point during the school year, all families will be offered the opportunity to meet the new teacher and make a decision about whether they would like to continue in the program, or disenroll at that time. If a family chooses to disenroll, they will be refunded their remaining tuition in its entirety, or all remaining postdated checks will be shredded.

I have read and agree to the Year-Long Program Policies.
