ELITE OPEN SCHOOL

Elite Open School is a private middle school and high school enrolling 704 students in grades 3–12. In 2015, Elite Open School was born out of a desire to provide schooling or education options for missionary families and students. Elite Open School was able to serve education-focused families, immigrant communities, and families looking for first-generation college attendees. The school graduated its first senior class in the spring of 2016.

HIGH SCHOOL CURRICULUM

Elite Open School curriculum provides rigorous core academic courses with a diverse range of electives for students to explore potential college majors and careers. Each semester course is worth 0.5 credits and consists of 18-20 weeks of work. Our most gifted high school students are eligible to enroll in the Minerva Baccalaureate or Dual Diploma programs to take college level courses.

Advanced Academic Pathways

Minerva Baccalaureate: Building upon the best in contemporary high school curricula, the [Minerva Baccalaureate](#) is a transformative four-year program for students blending structured, personalized learning and engaging teacher-led classes with peers. Students interconnect their learning and develop skills in complex critical thinking, advanced problem solving, and strategic decision-making. Graduates receive a high school diploma from Elite Open School, a Minerva Baccalaureate diploma, and 32 units of college credit.

Dual Diploma: Another more traditional pathway for academically gifted students is our Dual Diploma Program. Academically eligible students who wish to challenge themselves from the start of high school with college level coursework, can culminate their high school careers with a full college-level course load. Graduates of our [Dual Diploma](#) program receive a high school diploma from Elite Open School, as well as an Associate of Arts degree from a regionally accredited U.S. college.
