HIGH SCHOOL CURRICULUM

Elite Open School curriculum provides rigorous core academic courses with a diverse range of electives for students to explore potential college majors and careers. Each semester course is worth 0.5 credits and consists of 18-20 weeks of work. Our most gifted high school students are eligible to enroll in the Minerva Baccalaureate or Dual Diploma programs to take college level courses.

Advanced Academic Pathways

Minerva Baccalaureate: Building upon the best in contemporary high school curricula, the [Minerva Baccalaureate](#) is a transformative four-year program for students blending structured, personalized learning and engaging teacher-led classes with peers. Students interconnect their learning and develop skills in complex critical thinking, advanced problem solving, and strategic decision-making. Graduates receive a high school diploma from Elite Open School, a Minerva Baccalaureate diploma, and 32 units of college credit.
