Mission Statement

Library Excellence through Efficiency.

Vision Statement

Partner with libraries to deliver software and services that allow them to best serve their customers.

We will accomplish this by:

- Enabling librarians to focus on their customers, not their processes.
- Making libraries visible and accessible.
- Providing libraries with information to guide their activities and communicate their value.

Our Company Values

- Is a flexible problem solver with a great attitude who loves what he or she does.
- Supports the vision of Atlas and understands his or her role as a contributor to that vision.
- Uses all available resources to manage tasks, priorities, and communication.
- Is smart, communicative, collaborative, creative, caring.
- Is aware of his or her strengths and weaknesses and is motivated to improve.
- Is always learning, excited by new things and has a natural curiosity.
- Looks for new product and service ideas that benefit Atlas and its customers.
- Looks at Atlas employment as a career versus a job.
- Understands that Atlas business success is the key contributor to the future success of its employees.

Model Atlas Company

- Provides ongoing support for each employee's best performance and job satisfaction.
- Clearly communicates the company's objectives and how individual employees can best contribute to company success.
- Encourages and empowers employees to obtain the skills necessary for individual and group success.
- Provides a team environment/culture where all departments and staff assist each other.
- Provides opportunities for advancement or better-suited positions.
- Believes in individual accountability and rewards initiative and encourages experimentation.

Model Atlas Citizen

- Is a flexible problem solver with a great attitude who loves what he or she does.
