The arts organization could in this case apply for and receive a grant and could develop a cooperative agreement with the school that spells out how the school could also benefit from the purchase items or improvements.
- P. Grants awarded partial funding may not seek the unfunded portion of their grant in a second LRAC grant request.

## IV. REVIEW PROCEDURES

### Grant Review

LRAC Board members receive copies of all applications at least one week prior to the review session.

After grant applications have been formally submitted, board members are prohibited from discussing them with grant applicants. Applicants should direct questions to the LRAC office staff

The LRAC Board observes strict procedures to prevent any conflict of interest.

At the LRAC grant review meeting, grant applications are reviewed in the same order in which they were submitted online.

In arriving at decisions, council members

**First** determine the eligibility of the applicant. Any applicants that are determined to be ineligible shall be eliminated from the review process.

**Second**, determine the project eligibility. The council discusses each application in relation project criteria.

**Third**, Through majority vote, the council determines whether the grant application will be approved for funding based on the three review criteria (See Page 8 Review Criteria) or denied funding based on specific criteria.

### Ranking

After determination of funding, each project will be ranked. Points acquired by each application are totaled and divided by the number of council members ranking that project.

Projects are ranked in order from high score to low score. Grants are then awarded according to their rank.

Applicants should be aware that although an application may be approved for funding, its rank might determine that it will receive partial or no funding.

### Funding Options: Full or Partial

Due to three funding categories; Access, Education & Heritage, a project may be fully funded in one category, but receive partial funding or no funding in other categories. Then the applicant is designated as a partially funded application. If the applicant accepts partial funding, a revised budget must be submitted and approved by LRAC prior to the distribution of funds.

If the applicant refuses partial funding in the amount will be offered to the next applicant on the ranking list requesting funding in each category.

If two applications receive identical rankings, the application with the earliest submission date will be given priority.

### Notification

Applicants are notified of funding decisions within two weeks after the grant review. A notification email will be sent to the applicant.

Applicants wishing to know the funding decision after the LRAC Grant Review may log into the LRAC Grant Site to check out the status of their application or call the LRAC office **after 3 p.m. the following day**

If funding is approved, the applicant will be complete the Grant Contract and the Request for Payment form on line..

If a revised budget and/or project description are necessary, applicants will receive an email listing all additional requirements for the partially funded grant prior to completing the Contact and Request for Payment online.

### Funding Distribution

Upon receipt of the signed grant contract and request for payment forms, 80% of the grant funds will be mailed to the grantee.

Upon approval of the final report, the remaining 20% of the grant funds will be sent to the grantee provided the final report conforms to the project approved by the Board.
