IV. REVIEW PROCEDURES

**Grant Review**

LRAC Board members receive copies of all applications at least one week prior to the review session.

After grant applications have been formally submitted, board members are prohibited from discussing them with grant applicants. Applicants should direct questions to the LRAC office staff.

LRAC Board, review panels and staff observe strict procedures to prevent any conflict of interest in the processing, review and selection of grant awards. The full Conflict of Interest Policy can be viewed at www.LRAC4.org/grant-management or by contacting the LRAC office.

At the LRAC grant review meeting, grant applications are reviewed in the same order in which they were submitted online.

In arriving at decisions, council members

**First** determine the eligibility of the applicant. Any applicants that are determined to be ineligible shall be eliminated from the review process.

**Second**, determine the project eligibility. The council discusses each application in relation project criteria.

**Third**, Through majority vote, the council determines whether the grant application will be approved for funding based on the three review criteria (See Page 9 Review Criteria) or denied funding based on specific criteria.

**Ranking**

After determination of funding, each project will be ranked. Points acquired by each application are totaled and divided by the number of council members ranking that project.

Projects are ranked in order from high score to low score. Grants are then awarded according to their rank.

Applicants should be aware that although an application may be approved for funding, its rank might determine that it will receive partial or no funding.

**Funding Options: Full or Partial**

Due to three funding categories; Access, Education & Heritage, a project may be fully funding in one category, but receive partial funding or no funding in other categories. Then the applicant is designated as a partially funded application. If the applicant accepts partial funding, a revised budget must be submitted and approved by LRAC prior to the distribution of funds.

If the applicant refuses partial funding, the amount will be offered to the next applicant in the ranking list requesting funding in each category.

If two applications receive identical rankings, the application with the earliest submission date will be given priority.

**Notification**

Applicants are notified of funding decisions within two weeks after the grant review. A notification letter will be sent to the applicant.

Applicants wishing to know the funding decision after the LRAC Grant Review may log into the LRAC Grant Site to check out the status of their application. **Due to the complexity of the Legacy Grant Awards, the award status will now be available by Friday after the grant review.**

If funding is approved, the applicant will be complete the Grant Contract and the Request for Payment form on line and submit a W-9 form.

If a revised budget and/or project description are necessary, applicants will receive an email listing all additional requirements for the partially funded grant prior to completing the Contact and Request for Payment online.

**Funding Distribution**

Upon receipt of the W-9, signed grant contract and request for payment forms, 80% of the grant funds will be mailed to the grantee.

Upon approval of the final report, the remaining 20% of the grant funds will be sent to the grantee provided the final report conforms to the project approved by the Board.
V. REVIEW CRITERIA

VII. MISUSE OF FUNDS PROCEDURE OVERVIEW (New in FY2020)

Description and Scope
This procedure defines misuse of funds, outlines investigation and documentation of misuse, establishes a range of consequences when misuse has occurred, and outlines a process by which a grantee may appeal consequences. This procedure applies to funds a regional arts council receives from the State of Minnesota from its general fund, its arts and cultural heritage fund, or any other State funds. The procedure does not apply to other revenue sources regional arts councils may have (e.g., contributions from other grant makers or donors, or earned income).

Objective
The intent of this procedure is to ensure that regional arts councils are managing state funds in a consistent manner; that similar consequences will be imposed when misuse of state funds occurs; and that a grantee that has misused funds will lose privileges statewide, not just in the region in which it resides.

Definition: What constitutes misuse of funds
Misuse of funds means using State of Minnesota resources for any purpose other than those allowed by:
- State of Minnesota statutes, laws, rules, policies; and
- The regional arts council receiving and disbursing the funds; and
- The program guidelines or grant contract through which funds are disbursed.

Intentional misuse occurs when the grantee knowingly spends funds in ways that are outside the allowable parameters of the State, the council, or the program. Misuse also occurs when a grantee spends funds in ways that are inconsistent with the submitted proposal and budget.

Unintentional misuse generally occurs as a result of miscommunication or misunderstanding.

A grantee that is unable to complete all proposed activities is not misusing funds. Unspent funds are not misuse. The notices and consequences described below would not apply in this situation.

Consequence Overview
Misuse of state funds is never allowed whether the misuse is intentional or unintentional—notice and consequences will be issued.

If grantee does not return the funds: Grantee is permanently ineligible to receive State of Minnesota funds from the LRAC, from the Arts Board, or from any other regional arts council.

If grantee does return the funds: Grantee is ineligible to receive State funds from LRAC, the Arts Board, or any other regional arts council.

Range of Consequences:
- Misused funds are less than $1,000 – for a period of one year from date of notification.
- Misused funds are $1,000 - $5,999 – for a period of two years from date of notification.
- Misused funds are $6,000 or more – for a period of three years from date of notification.

In some circumstances, LRAC may determine that consequences outside this range are appropriate and may impose them.

LRAC is required to notify all mandated art organizations of imposed consequences.

Please Refer to the LRAC Misuse of Funds Procedure Document on the LRAC4.org website under Grants/Grant Management for the complete policy regarding the misuse of funds or contact the LRAC office.

Responsibilities of LRAC when Misuse has occurred
1. Verification and documentation
2. Notice of misuse and consequences to the grantees
3. Notices to the MN State Arts Board
4. Recovery of funds
5. Consequences
6. Reinstatement
7. Appeal process
VIII. GRANT TERMINATION

A grant contract may be terminated at any time:

- By mutual written consent of the LRAC and the recipient;
- Upon the written request of the grantee, but such termination does not necessarily relieve the grant recipient of the responsibilities as set forth in the contract;
- By the LRAC upon the failure of the grantee to comply with one or more of the contract conditions. Such termination shall be effective upon the receipt of written notice by the recipient.
- The grant contract is considered terminated if the applicant leaves the region before the project is completed.

IX. REVOCATION OF FUNDS

A commitment of funds to a recipient may be rescinded by the LRAC if one of the following conditions exists:

1. The recipient does not return the signed contract and/or attachments within 45 days of the date it is received.
2. The recipient does not return a revised budget and project descriptions within 30 days of the date of notification of the LRAC Action by letter.

Occasionally, additional “riders” or conditions will be placed on the use of the grant funds. These conditions, or in some cases recommendations, from the council, will be clearly outlined in the contract.

X. APPEALS POLICY AND PROCEDURE

Grant applicants may appeal the decisions of the LRAC only on the basis of procedure used during the review of the grant applicants. The appeals procedure is as follows:

1. Applicants must notify the LRAC office, in writing, of their wish to have an appeals hearing and the basis for the appeal. The applicant has ten business days from the date of receipt of the LRAC funding decision to submit this letter.

2. The appeals committee reviews the request for an appeals hearing and recommends to the chair whether or not there is a basis for an appeal. This recommendation is sent to the chair within ten business days of receipt of the request for an appeals hearing.

3. The chair then authorizes an appeals hearing or denies the request based on the committee report. If it is determined that there is no basis for an appeal, the applicant is so informed. The chair must take one of these actions within ten business days of receipt of the appeals committee recommendation.

4. When an appeals hearing is authorized, it is scheduled by the appeals committee chair with the applicant. Following the hearing, the appeals committee makes a recommendation to the LRAC at its next regularly scheduled meeting.

5. The LRAC then reviews the committee recommendations and makes a final decision on the appeal. The applicant is then notified of the LRAC’s decision within ten business days of that LRAC meeting.
