IC. DEFINITION OF KEY AREAS

The Arts and Cultural Heritage Fund will support activities in three key areas:

**Arts & Arts Access:**

**Up to 79%** of the fund will support Minnesota artists and arts organizations in creating, producing, and presenting high-quality arts activities; to overcome barriers to accessing high-quality arts activities; and to instill the arts into the community and public life in this state.

Such activities may be, but are not limited to:

Investing in activities that make the arts available to persons who might not otherwise have access due to economic, geographic, or physical barriers.

Ensuring that Minnesota’s artists have sufficient financial support to create high quality art.

Investing in the long-term health and vitality of Minnesota’s arts sector by supporting capacity-building and professional development.

Investing in efforts that enable Minnesotans to connect with arts/arts experiences.

Investing in efforts to fully integrate the arts into local community development efforts.

Investing in efforts to integrate the arts into local and state economic development planning.

Investing in public art that is available throughout the state.

**Recognizing and rewarding** artists/arts organizations/arts providers for exceptional artistic quality and service to their audiences and/or the state.

**Arts Education:**

**Investing in lifelong learning in the arts:**

**Up to 16%** of the fund will support high-quality, age-appropriate arts education for Minnesotans of all ages to develop knowledge, skills, and understanding of the arts.

Such activities may be, but are not limited to:

Investing in efforts that enable Minnesotans to connect with arts learning opportunities.

Ensuring that artists are able to invest in professional development.

Ensuring that arts learning opportunities are achieving intended outcomes through ongoing assessment and evaluation.

**Arts & Cultural Heritage:**

**Building bridges between Minnesotans through arts and culture:**

**Up to 5%** of the fund may be used for events and activities that represent the diverse ethnic and cultural arts traditions, including folk and traditional artists and art organizations, represented in this state.

Such activities may be, but are not limited to:

Providing Minnesotans with opportunities to celebrate our cultural heritage through events and activities that represent the range of Minnesota’s ethnic and cultural arts traditions.

Ensuring that Minnesotans are able to experience folk/traditional arts of diverse cultures by supporting the work of folk and traditional artists/arts organizations.
All proposals should take into consideration the following questions:

- Is the local government’s commitment to the arts ongoing?
- Do the local government’s arts activities meet clearly defined community needs, and are the results tangible?
- Is broad and diverse support for the local government's arts activities present in the community?
- Is the local government creative and innovative in integrating the arts with its overall strategies?

Local governments will need to include the following activities in their proposal:

1. Participate in Individualized Support meetings with LRAC.
2. Have plans for a Public Art project, or an arts focused festival or a community visual/performing arts event or developing a community arts organization such as a community choir.
3. Have an arts advisor/committee as part of local government structure.
4. Include involvement from at least two community groups or organizations.
5. Have a plan for education and informing the community about the impact of the arts.

It is optional for the local government to add additional arts activities to the proposal.

Applicants requesting Arts Legacy Grants for Local Governments from the LRAC must do the following:

1. Contact the LRAC office prior to starting the application process. Proposals submitted without Lake Region Arts Council consultation will not be considered.
2. Prepare a presentation for the LRAC Board as part of the proposal.

4. Supply the LRAC with additional information as requested.

Please be advised that to better serve artists and arts organizations of our region, each fiscal year, based on input from applicants, the Lake Region Arts council will review, and when necessary revise the grant process, grant limits and review procedures.
III. ELIGIBILITY OF PROJECT

- Projects for the production of Public Art
- School artist residencies
- Artistic performances
- Art and cultural festivals
- Arts educational experiences
- Art workshops

A. Requests for operating support from organizations that are receiving Minnesota State Arts Board Institutional Support grants during the same fiscal year, although such groups may apply to LRAC for Legacy project funding.

B. Projects that receive funding from both LRAC Project Grants and Legacy Grants for the same project during the same fiscal year. If your project is not funded in one grant program, you may reapply in the other grant program for the same project.

C. Grants awarded partial funding may not seek the unfunded portion of their grant in a second LRAC grant request.

D. Activities that do not have arts/culture as their primary focus.

E. Activities intended solely for fund raising.

F. Requests that would reduce or eliminate accumulated deficits.

G. Projects for endowment funds, construction of new buildings, or purchase of real property (land or buildings).

N. Projects, any component of which is primarily limited to students*, staff or members. (Such as Girl Scouts, 4-H, series subscription concerts, etc.) *Exception: This does not apply to school residency projects. A school residency will include an interactive learning component.

O. To compensate ongoing school personnel in full or in part.

P. To pay an artist or arts organization to provide essentially the same services that an ongoing teacher or arts specialist would be expected to provide.

Q. For tuition for teachers to earn degrees, meet licensure requirements, or meet continuing education requirements to retain a teaching license.

R. To supplant discontinued or nonexistent arts programs in schools.

S. To purchase equipment for or improve facilities within K-12 public schools and higher education institutions.

The exception to this will be, when a nonprofit arts group uses the school facility for rehearsal, classes, performances, or exhibitions, and it needs equipment or facilities improvements for its own work.

The arts organization could in this case apply for and receive a grant and could develop a cooperative agreement with the school that spells out how the school could also benefit from the purchase items or improvements.
IV. REVIEW PROCEDURES

Grant Review

LRAC Board members receive copies of all applications at least one week prior to the review session.

After grant applications have been formally submitted, board members are prohibited from discussing them with grant applicants. Applicants should direct questions to the LRAC office staff.

LRAC Board, review panels and staff observe strict procedures to prevent any conflict of interest in the processing, review and selection of grant awards. The full Conflict of Interest Policy can be viewed at www.LRAC4.org/grant-management or by contacting the LRAC office.

Notification

Applicants are notified of funding decisions within two weeks after the grant review. A notification email will be sent to the applicant.

Applicants wishing to know the funding decision after the LRAC Grant Review may log into the LRAC Grant Site to check out the status of their application.

VII. MISUSE OF FUNDS PROCEDURE OVERVIEW (New in FY2020)

Description and Scope

This procedure defines misuse of funds, outlines investigation and documentation of misuse, establishes a range of consequences when misuse has occurred, and outlines a process by which a grantee may appeal consequences. This procedure applies to funds a regional arts council receives from the State of Minnesota from its general fund, its arts and cultural heritage fund, or any other State funds. The procedure does not apply to other revenue sources regional arts councils may have (e.g., contributions from other grant makers or donors, or earned income).

Objective

The intent of this procedure is to ensure that regional arts councils are managing state funds in a consistent manner; that similar consequences will be imposed when misuse of state funds occurs; and that a grantee that has misused funds will lose privileges statewide, not just in the region in which it resides.

Definition: What constitutes misuse of funds

Misuse of funds means using State of Minnesota resources for any purpose other than those allowed by:

- State of Minnesota statutes, laws, rules, policies; and
- The regional arts council receiving and disbursing the funds; and
- The program guidelines or grant contract through which funds are disbursed.

Intentional misuse occurs when the grantee knowingly spends funds in ways that are outside the allowable parameters of the State, the council, or the program. Misuse also occurs when a grantee spends funds in ways that are inconsistent with the submitted proposal and budget.

Unintentional misuse generally occurs as a result of miscommunication or misunderstanding.

A grantee that is unable to complete all proposed activities is not misusing funds. Unspent funds are not misuse. The notices and consequences described below would not apply in this situation.

Consequence Overview

Misuse of state funds is never allowed whether the misuse is intentional or unintentional— notices and consequences will be issued.

If grantee does not return the funds: Grantee is permanently ineligible to receive State of Minnesota funds from the LRAC, from the Arts Board, or from any other regional arts council.

If grantee does return the funds: Grantee is ineligible to receive State funds from LRAC, the Arts Board, or any other regional arts council

Range of Consequences:

- Misused funds are less than $1,000 – for a period of one year from date of notification.
- Misused funds are $1,000 - $5,999 – for a period of two years from date of notification.
- Misused funds are $6,000 or more – for a period of three years from date of notification.

In some circumstances, LRAC may determine that consequences outside this range are appropriate and may impose them.

LRAC is required to notify all mandated art organizations of imposed consequences.

Please Refer to the LRAC Misuse of Funds Procedure Document on the LRAC4.org website under Grants/Grant Management for the complete policy regarding the misuse of funds or contact the LRAC office.

Responsibilities of LRAC when Misuse of Funds has occurred

1. Verification and documentation
2. Notice of misuse and consequences to the grantees
3. Notices to the MN State Arts Board
4. Recovery of funds
5. Consequences
6. Reinstatement
7. Appeal process
VIII. GRANT TERMINATION

A grant contract may be terminated at any time:

► By mutual written consent of the LRAC and the recipient;

► Upon the written request of the grantee, but such termination does not necessarily relieve the grant recipient of the responsibilities as set forth in the contract;

► By the LRAC upon the failure of the grantee to comply with one or more of the contract conditions. Such termination shall be effective upon the receipt of written notice by the recipient.

IX REVOCATION OF FUNDS

A commitment of funds to a recipient may be rescinded by the LRAC if one of the following conditions exists:

1. The recipient does not return the signed contract and/or attachments within 45 days of the date it is received.

2. The recipient does not return a revised budget and project descriptions within 30 days of the date of notification of the LRAC Action by letter.

Occasionally, additional “riders” or conditions will be placed on the use of the grant funds. These conditions, or in some cases recommendations, from the council, will be clearly outlined in the contract.

X APPEALS POLICY AND PROCEDURE

Grant applicants may appeal the decisions of the LRAC only on the basis of procedure used during the review of the grant applicants. The appeals procedure is as follows:

1. Applicants must notify the LRAC office, in writing, of their wish to have an appeals hearing and the basis for the appeal. The applicant has ten business days from the date of receipt of the LRAC funding decision to submit this letter.

2. The appeals committee reviews the request for an appeals hearing and recommends to the chair whether or not there is a basis for an appeal. This recommendation is sent to the chair within ten business days of receipt of the request for an appeals hearing.

3. The chair then authorizes an appeals hearing or denies the request based on the committee report. If it is determined that there is no basis for an appeal, the applicant is so informed. The chair must take one of these actions within ten business days of receipt of the appeals committee recommendation.

4. When an appeals hearing is authorized, it is scheduled by the appeals committee chair with the applicant. Following the hearing, the appeals committee makes a recommendation to the LRAC at its next regularly scheduled meeting.

5. The LRAC then reviews the committee recommendations and makes a final decision on the appeal. The applicant is then notified of the LRAC’s decision within ten business days of that LRAC meeting.
X1. APPLICATION PROCEDURE

**Application Assistance**

All potential applicants need to contact the LRAC office to set up a time to meet with Maxine Adams, Executive Director. At this meeting, the public entity will review their potential ideas, discuss the timetable, budget and long term impact of the grant project on the public art in the community. Additional meetings might be needed to properly prepare the project for both the approval of the government entity and submission of the grant application.

Prior to applying for the grant application, the government entity (city council, township board, county commissioners, etc.) needs to officially approve/appoint the art board, council or committee to act on behalf of the government entity.
