IA. OVERVIEW

The Minnesota State Arts Board and Minnesota’s Regional Arts Councils will be entrusted with stewardship of significant new funding through the State of Minnesota’s Arts and Cultural Heritage Fund.

Proceeds from the fund may be spent only on arts, arts education and arts access and to preserve Minnesota’s history and cultural heritage.

The fund is intended to create a strong arts legacy in Minnesota and will exist for a period of twenty-five years.

Vision:

In 25 years, Minnesotans will have made a significant investment in the arts.

As a result:

In Minnesota, the arts define who we are. This is a place where people are transformed by quality arts experiences, and see the arts as essential to their communities. The arts in Minnesota connect people of all ages and cultures, fostering understanding and respect.

Arts and culture are central to Minnesota’s educational system and lifelong learning opportunities. The arts develop creative minds that maximize new opportunities and find solutions to life’s challenges.

In Minnesota, the arts are an integral part of the economy. Because of the arts, Minnesota communities are successful, dynamic, attractive places to live and work.

Minnesota is a recognized national arts leader, a magnet for artists and arts enthusiasts, and a destination for tourists. Residents and visitors are assured a world-class quality arts experience.

Minnesotans appreciate, create, attend, participate or invest in the arts. Minnesota’s effective, innovative, vibrant, public-private support for the arts is the strongest in the country. Universal support and appreciation for the arts help ensure the state’s exceptional quality of life.

The content, accuracy and completeness of an application are solely the responsibility of the applicant.

VIII. MISUSE OF FUNDS PROCEDURE OVERVIEW

Description and Scope
This procedure defines misuse of funds, outlines investigation and documentation of misuse, establishes a range of consequences when misuse has occurred, and outlines a process by which a grantee may appeal consequences. This procedure applies to funds a regional arts council receives from the State of Minnesota from its general fund, its arts and cultural heritage fund, or any other State funds. The procedure does not apply to other revenue sources regional arts councils may have (e.g., contributions from other grant makers or donors, or earned income).

Objective
The intent of this procedure is to ensure that regional arts councils are managing state funds in a consistent manner; that similar consequences will be imposed when misuse of state funds occurs; and that a grantee that has misused funds will lose privileges statewide, not just in the region in which it resides.

Definition: What constitutes misuse of funds
Misuse of funds means using State of Minnesota resources for any purpose other than those allowed by:
- State of Minnesota statutes, laws, rules, policies; and
- The regional arts council receiving and disbursing the funds; and
- The program guidelines or grant contract through which funds are disbursed.

Intentional misuse occurs when the grantee knowingly spends funds in ways that are outside the allowable parameters of the State, the council, or the program. Misuse also occurs when a grantee spends funds in ways that are inconsistent with the submitted proposal and budget.

Unintentional misuse generally occurs as a result of miscommunication or misunderstanding.

A grantee that is unable to complete all proposed activities is not misusing funds. Unspent funds are not misuse. The notices and consequences described below would not apply in this situation.

Consequence Overview
Misuse of state funds is never allowed whether the misuse is intentional or unintentional—notices and consequences will be issued.

If grantee does not return the funds: Grantee is permanently ineligible to receive State of Minnesota funds from the LRAC, from the Arts Board, or from any other regional arts council.

If grantee does return the funds: Grantee is ineligible to receive State funds from LRAC, the Arts Board, or any other regional arts council.

Range of Consequences:
- Misused funds are less than $1,000 – for a period of one year from date of notification.
- Misused funds are $1,000 - $5,999 – for a period of two years from date of notification.
- Misused funds are $6,000 or more – for a period of three years from date of notification.

In some circumstances, LRAC may determine that consequences outside this range are appropriate and may impose them.

LRAC is required to notify all mandated art organizations of imposed consequences.

Responsibilities of LRAC when Misuse of Funds has occurred
1. Verification and documentation
2. Notice of misuse and consequences to the grantees
3. Notices to the MN State Arts Board
4. Recovery of funds
5. Consequences
6. Reinstatement
7. Appeal process

Please Refer to the LRAC Misuse of Funds Procedure Document on the LRAC4.org website under Grants/Grant Management for the complete policy regarding the misuse of funds or contact the LRAC office.
IX. GRANT TERMINATION

A grant contract may be terminated at any time:

By mutual written consent of the LRAC and the recipient;

Upon the written request of the grantee, but such termination does not necessarily relieve the grant recipient of the responsibilities as set forth in the contract;

By the LRAC upon the failure of the grantee to comply with one or more of the contract conditions. Such termination shall be effective upon the receipt of written notice by the recipient.

XI. APPEALS POLICY AND PROCEDURE

Grant applicants may appeal the decisions of the LRAC only on the basis of procedure used during the review of the grant applicants. The appeals procedure is as follows:

1. Applicants must notify the LRAC office, in writing, of their wish to have an appeals hearing and the basis for the appeal. The applicant has ten business days from the date of receipt of the LRAC funding decision to submit this letter.

2. The appeals committee reviews the request for an appeals hearing and recommends to the chair whether or not there is a basis for an appeal. This recommendation is sent to the chair within ten business days of receipt of the request for an appeals hearing.

3. The chair then authorizes an appeals hearing or denies the request based on the committee report. If it is determined that there is no basis for an appeal, the applicant is so informed. The chair must take one of these actions within ten business days of receipt of the appeals committee recommendation.

4. When an appeals hearing is authorized, it is scheduled by the appeals committee chair with the applicant. Following the hearing, the appeals committee makes a recommendation to the LRAC at its next regularly scheduled meeting.

5. The LRAC then reviews the committee recommendations and makes a final decision on the appeal. The applicant is then notified of the LRAC’s decision within ten business days of that LRAC meeting.

X. REVOCATION OF FUNDS

1. The recipient does not return the signed contract and/or attachments within 45 days of the date it is received.

2. The recipient does not return a revised budget and project descriptions within 30 days of the date of notification of the LRAC Action by letter.

Occasionally, additional “riders” or conditions will be placed on the use of the grant funds. These conditions, or in some cases recommendations, from the council, will be clearly outlined in the contract.
