The content, accuracy and completeness of an application are solely the responsibility of the applicant.

If the applicant takes no action or does not communicate with the LRAC office by the end of the week allowed for changes, the application will go to the LRAC Board for review "as is".
V. GRANT PROCESS (How does the LRAC Board review and rank applications?)

Grant Review
If the number of applications warrants it, applications are reviewed by a LRAC review panel prior to the grant review meeting. Applications recommended by the review panels will be submitted to the full LRAC Board for funding decisions.

At the LRAC grant review, grant applications are reviewed in the same order in which they were submitted online.

All the artist work samples are reviewed by the LRAC Board prior to the grant review.

LRAC Board, review panels and staff observe strict procedures to prevent any conflict of interest in the processing, review and selection of grant awards.

The full Conflict of Interest Policy can be viewed at www.LRAC4.org/grant-management or by contacting the LRAC office.

LRAC Board determines the eligibility of the application, based on both applicant eligibility and project eligibility.

A complete and accurate application is required in order to be an eligible applicant.

This includes the following:
* Your resume or bio
* Required Work Samples: (based on disciplines)
  5 visual images in jpg format
  2 literary samples in pdf format (5 pages each)
  3 minutes music sampler with website link
  3 minutes performance sample with link
If applicable, depending on your request, you may also need:
  Other resumes for mentors, instructors
  Workshop & Training website links
  Two Equipment Quotes for items over $500
  Supplies Price List if total is over $500

Any applicant or project determined to be ineligible will be eliminated from the review process.

Each eligible grant application is considered according to the Review Criteria on Page 6, Section VI.

Through majority vote, the LRAC Board determines whether the grant application will be eligible for funded or denied funding.

Ranking
Each approved grant application will be ranked by assigning a numerical score to each Review Criteria. The grants are then awarded according to their ranking order.

If two grant applications receive identical rankings, the application with the earliest submission date will be given priority.

Applicants should be aware that even though an application may be approved for funding, its rank may fall below the line of available funds.

A minimum ranking of 65% is required to be eligible for grant funding.

Notification Process
Applicants are notified of funding decisions within two weeks after the grant review. All applicants will receive a notification email and letter updating them of the LRAC Board decision mailed to the address of record.

In the LRAC Foundant online grant system, all unfunded grants are labeled as “Denied” in the Decision. This includes applications that are approved by not funded or declared applicant ineligible or project ineligible.

All awarded grants are labeled as “Approved” in the Decision. Grantees need to log back into the LRAC Foundant online grant system to complete the AQS Contract, Request for Payment and W-9 form.

Applicants wishing to know the funding decision after the LRAC Grant Review may log back into the LRAC Grant Site to check out the status of their application or call the LRAC office on the following Monday after the grant review.
VI. REVIEW CRITERIA (How are the Applications ranked by the LRAC Board?)

Grants requests will be reviewed on the basis of the following three criteria, with artistic quality being the most significant:

A. Overall excellence of the artwork, and demonstration of exceptional talent.

B. The project's contribution to the artist's professional growth.

C. Evidence of serious professional commitment.

The LRAC Board is an 18 member board, comprised of two people from each of the nine LRAC counties.

All reviewing LRAC Board members will rank each application on a scale of 1 to 10 in the three criteria; Overall Talent, Professional Growth, and Serious Commitment. A perfect score would a 30 (10, 10, 10).

The average score is generated based on the number of reviewing LRAC Board members. A board member that declares a conflict of interest for an applicant will not rank the application.

VII. GRANT PAYMENT/FINAL REPORT (How will the Grant be paid out?)

1. A check for 80% of the grant award will be sent to the grantee within 30 days after the signed W-9 from, Grant Contract and Request for Payment are completed in the LRAC Foudrant online grant system.

2. The grantee may claim the remaining 20% of the grant award after submitting an approved final report, budget and supporting documents within 30 days of the project’s completion date.

3. The final report is an extremely important document. If the project has been carefully managed, the project description and budget in the original application and the final report should be very similar.

4. The project will be carried out in compliance with the project description, budget and dates as set forth in the application. Any significant revisions in the project must be requested and cleared, in advance and in writing, with the LRAC office. Changes can be requested at any time using the Universal Post-

The types of changes would include large budget expenditures, i.e. in excess of $500, changing artists, venues or dates, or scope, focus or artistic intentions of the project.

Any requests for revisions submitted between LRAC Board meetings will be considered at the next scheduled meeting.

Depending on the decision made by LRAC at the meetings, the grantee may or may not be required to return money to LRAC or may or may not receive their final 20% payment.

5. Applicants who fail to submit the final report within the prescribed time, which is 120 days after the final report due date, without good cause, subject to LRAC Board approval, will automatically be considered ineligible for future funding.

IX. GRANT TERMINATION

A grant contract may be terminated at any time upon the written request of the grantee, but such termination does not necessarily relieve the grant recipient of the responsibilities stipulated in the contract.

The LRAC may terminate a grant contract at any time upon the failure of the grantee to comply with one or more of the contract conditions or a grant may be terminated at any time by mutual agreement.

The grant contract is considered terminated if the applicant leaves the region before the project is completed.

X. REVOCATION OF FUNDS

If termination occurs after funds have been distributed, the entire amount of the distributed grant award must be returned to the LRAC.

XI. APPEALS POLICY AND PROCEDURE

Grant applicants may appeal the decisions of the LRAC only on the basis of procedure used during the review of the grant applicants. The appeals procedure is as follows:

1. Applicants must notify the LRAC office, in writing, of their wish to have an appeals hearing and the basis for the appeal. The applicant has ten business days from the date of receipt of the LRAC funding decision to submit this letter.

2. The appeals committee reviews the request for an appeals hearing and recommends to the chair whether or not there is a basis for an appeal. This recommendation is sent to the chair within ten business days of receipt of the request for an appeals hearing.

3. The chair then authorizes an appeals hearing or denies the request based on the committee report. If it is determined that there is no basis for an appeal, the applicant is so informed. The chair must take one of these actions within ten business days of receipt of the appeals committee recommendation.

4. When an appeals hearing is authorized, it is scheduled by the appeals committee chair with the applicant. Following the hearing, the appeals committee makes a recommendation to the LRAC at its next regularly scheduled meeting.

5. The LRAC then reviews the committee recommendations and makes a final decision on the appeal. The applicant is then notified of the LRAC’s decision within ten business days of that LRAC meeting.
