LET’S VOLUNTEER!

At CGT, community service opportunities for school-age children are designed to educate, engage, enlighten and foster volunteerism in young minds about children in need in the local community.

At this time, we welcome Youth groups to engage in service, according to the following guidelines:

**Grades 1-5: off-site**
Choose a project. Gather the materials and/or complete the project. Donate them! For more information, please email volunteer@communitygivingtree.org or outreach@communitygivingtree.org.

**PROJECTS off-site** can take the form of a collection drive of essential items or no-sew blankets.

**Grades 6-12: on-site**
Private service groups (max. 5 teens) are available in the Boxford Giving Center or the Lawrence Giving Center by special arrangement. To schedule a service opportunity, please email volunteer@communitygivingtree.org.

**PROJECTS on-site in Boxford & Lawrence** include sorting donations of clothes and shoes, cleaning and assembling baby equipment and furniture, unloading and loading of the van, periodic re-organization of the warehouse, setting up for certain events, and more.

Together Everyone Achieves More!
