### Voter Registration

If you want to vote, you must be registered.

Am I eligible to register and vote? Yes, if you are:

- A citizen of the United States.
- A resident of Virginia.
- At least 18 years of age on or before the date of the next general election. (People 16 years of age may pre-register, but they may not vote. Those who will be 18 by the Fall general election on Nov 5 can register to vote in the primary elections even if they are not yet 18).
- Have your voting rights restored if convicted of a felony or judged mentally incapacitated.

**How and where do I register?** Go to [Elections.Virginia.Gov](https://www.elections.virginia.gov) to register. If you have a current Virginia driver's license or ID issued by the DMV, you can complete and submit your registration online. Otherwise, you can download and print the registration application form and take or mail it to your local voter registration office. Voter Registration Application forms are also available at your voter registration office, DMV, most public libraries, and state and local government offices. See page 3 for the address of your General Registrar/Office of Elections. **When do I register?** Voter Registration Applications are accepted year-round. Voter registration is closed during the 21 days before a regularly scheduled election, 6 days before special elections for state offices, and 13 days for other elections. Contact your General Registrar/Office of Elections for additional information.

**How do I check my voter registration status?** Registered voters are encouraged to check the status of their registration and polling place at [Elections.Virginia.Gov](https://www.elections.virginia.gov) at least 30 days before an election.

**How do I change my name or address?** To remain a qualified voter, you must notify your General Registrar of any change in name or address in a timely manner. You can update your name or address at [Elections.Virginia.Gov](https://www.elections.virginia.gov), or by contacting your General Registrar.

### Can I Vote Before Election Day?

Registered voters can vote before election day in Virginia. No excuse is needed.

**How do I vote in person before Election Day?** Virginia law allows in-person early voting for all registered voters. Early voting begins 46 days before a general or primary election through the Saturday before each Election Day. Early voting can be done at the voter's Office of Elections and, if a county resident, at designated satellite locations. Check county or city websites for locations, dates, hours, and times. There are special provisions for military, overseas voters, and emergencies.

**How do I apply for and vote an absentee ballot?** Go to [Elections.Virginia.Gov](https://www.elections.virginia.gov) and apply online for an absentee ballot to be mailed to you or complete a paper absentee application form and submit it by mail, fax, email, or online beginning twelve months prior to an election. Absentee ballot application forms can be downloaded from [Elections.Virginia.Gov](https://www.elections.virginia.gov), requested by contacting your election office, or obtained from local government offices and libraries. The application must be received by your election office no later than 5 p.m. on the eleventh day prior to an election. If this is your first time voting in a federal election, you will be asked to include a copy of ID when you return your ballot. **Return your marked ballot directly to your registrar by 7 p.m. on Election Day or return it by mail postmarked on or before Election Day; your registrar must receive it by noon on the Friday following the election.**

### How do I Vote on Election Day?

- The polls are open from 6 a.m. to 7 p.m. for all elections.
- Voting information is available in English, Spanish, Vietnamese, and Korean in Fairfax County.
- Check your current Voter Information letter from the election office for your correct polling place. You may also check at [Elections.Virginia.Gov](https://www.elections.virginia.gov), or call 703-222-0776, in Fairfax County, or 703-385-7890 in Fairfax City.
- For voters at least 65 years of age, or with a physical disability, all polling sites offer curbside voting and post the necessary precinct contact information near the polling site entrance.
- Virginia law requires all voters to provide an acceptable form of valid identification (ID) at the polls. **Virginians need a valid ID but do not need a photo ID to cast a ballot.**
- Acceptable forms of ID include the following: Voter confirmation documents received after you registered to vote; Virginia DMV-issued Driver's License or Identification Card; Valid United States Passport; Any ID card issued by the U.S., Virginia, or a local Virginia government; Valid student ID issued by a public or private school of higher education located in the U.S.; Valid student ID issued by a public school or private school in Virginia; Employer-issued photo ID card; any current utility bill, bank statement, government check, paycheck, or other government document with your name and address; An ID Confirmation Statement.
