Last night, we celebrated civil rights and democracy together.

"We are fighting together for the city we love."
Friends,

Last night, more than 300 lawyers, activists, artists, and community leaders gathered at City Winery to celebrate the work of Chicago Lawyers’ Committee for Civil Rights in advancing racial equity and economic opportunity for all.

It was an incredible evening that showcased our hate crime and voting rights advocacy. Check out our video below:
Last night, we celebrated civil rights and democracy together.

We presented the Pro Bono Lawyer of the Year Award to Terry Dee, the Law Firm Pro Bono Champion Award to Skadden, Arps, Slate, Meagher & Flom, and the Art of Justice Award to Young Chicago Authors, home of Louder Than A Bomb.

The evening also featured an inspiring and provocative roundtable conversation with Kristen Clarke, Kevin Coval, and Sonny Garg focused on radical hope and innovation as tools for fighting back to protect our democracy.
