Protect the right to vote Nov. 6

Election Protection is the nation’s largest non-partisan voter protection coalition, and we need your help this election!

As a field volunteer, you will be trained in teams to monitor and respond to problems as they arise at the polls in a targeted location in Illinois. **Note that you must be a registered voter in Illinois to be a field volunteer (and it's not too late to register).**

You can also sign up to staff our Chicago call center (866-OUR-VOTE), which provides assistance to voters across Illinois and Indiana with questions about the process or problems casting their ballot.

Help us spread the word.

Please send this info far and wide - together we can broaden voter access and strengthen our precious democracy.
