Dear Friends of St. Andrew’s,

You joined us on an incredible journey in 2016. Through your support and service, together we accomplished a great deal on behalf of our seniors as you will read in the pages of this report. Please know how grateful I am for your dedication to support the St. Andrew’s mission of empowering elders and their caregivers through choices and options that foster a vital life.

Inside these pages you will read about the incredible 2016 class of Ageless, Remarkable St. Louisans who exemplify successful aging. You will read personal stories of courage and conviction by our in-home service clients who, with the help of our employees, were able to make changes to remain living safely and independently in their homes. You will read about our seniors who have outlived their personal funds and were able to stay in our communities receiving the support and care they so desperately needed because of your support. You will learn more about the lives of our low-income seniors who live in 11 St. Andrew’s affordable housing communities.

Woven throughout each of these stories is the common thread of employee excellence. Each of our 1,200 compassion-driven employees strives every day to honor our resident’s unique gifts and needs, and provides service with respect and sincerity. St. Andrew’s employees come to work each day ready to live out our mantra: “Is there anything more I can do for you? I have the time.” It is the St. Andrew’s Way.

Thank you for the extraordinary difference you made in 2016 for seniors... the fastest growing segment of society. With your help, the best is yet to come!

Sincerely,

Mary Alice Ryan
President & CEO
WHAT IS ST. ANDREW’S

Our Vision:
A society where all elders are respected, productive, secure, and fulfilled.

Our Mission:
Empower elders and their caregivers through choices and options that foster a vital life.

Our History:
Created in 1961 as a non-profit partnership of the Episcopal Diocese of Missouri and The Presbytery of Giddings-Lovejoy, and affiliated in 2014 with the United Church of Christ, St. Andrew’s is non-sectarian, faith-based, and an expert at serving both older adults and their caregivers.

Worry Less.
St. Andrew’s CHARITABLE FOUNDATION
Dear Friends and Supporters of St. Andrew’s,

St. Andrew’s as a whole serves more than 8,700 seniors and caregivers each year. Sixty percent are low-income. The continuing growth of our Charitable Foundation enables us to further fulfill our mission by serving St. Louis seniors in need. Over the past year, we have continued to expand the reach of the foundation thanks to our generous donors, the diligence of our staff, and the oversight of our Foundation Board.

In 2016, your charitable support made it possible to directly impact the lives of nearly 2,000 low-income seniors throughout the St. Louis region and within the St. Andrew’s family with programs and services that enable them to live active, secure, and vital lives.

As we look to the future, your support will be even more critical. In this report you will read about the dramatic growth among the 65+-plus population in our region and indeed throughout our country. The aging of the Baby Boomers is changing all aspects of society from health care to home building; and from transportation to technology.

Thank you for joining us at this historic time. St. Andrew’s is at the center of successful aging because of you.

ST. ANDREW’S CHARITABLE FOUNDATION

Helping St. Andrew’s Impact the Lives of Even More Seniors

Seniors are living longer. Millions of seniors have discovered that they are outliving their savings and no longer have the resources to cover even their most basic needs. As the cost of aging goes up, so too, does the need for charitable care.

The St. Andrew’s Charitable Foundation supports older adults within the St. Andrew’s Family who have outlived their resources. Last year, the Foundation raised more than $1.1 million to help bridge the gap between what seniors and their families can afford and what seniors need to live healthy, secure and fulfilled lives.

From providing minor home repairs to low-income seniors to providing charitable assistance to allow St. Andrew’s residents to continue receiving the care they need, your gift to St. Andrew’s is helping seniors live safe, healthy and vital lives with dignity.

Together we are making a difference in the lives of those who have made such a difference in ours.
CHARITABLE IN-HOME CARE SERVICES

In 2016, 61 low-income seniors received weekly visits from St. Andrew’s Senior Solutions caregivers at no charge so they could remain living safely and independently in their own homes. Caregivers assist with activities of daily life such as bathing, grocery shopping, meal preparation, and light housekeeping. Caregivers also provide geriatric care management for each senior’s care plan, assess their progress, and ensure that seniors are connected to the resources and services they need to live healthy, vital, and secure lives.

Why?
There are more than 10,000 seniors living in poverty in St. Louis. Many have difficulty affording necessities such as food, medicine, healthcare, and utilities. They are unable to pay for the simple services they need to stay in their homes. Without St. Andrew’s charitable in-home care services, many face the risk of injuries, substandard healthcare, or prematurely moving into a more costly care facility.

Statistics:
• 51% of Seniors in St. Louis City live alone without families
• 17.6% of Seniors in St. Louis City and 6.2% of Seniors in St. Louis County live in poverty (Missouri Senior Report)
• 32 million – expected growth of the national senior population by 2030 (US National Institute on Aging)
• 83 – average age of seniors receiving charitable care
• $1,100 – average Monthly Income of seniors receiving charitable care

Key Benefits:
• Maintaining seniors safely and independently in their own homes
• Connecting seniors to vital community resources and benefits including home delivered meals, prescription and utility assistance, and Medicaid/Medicare
• Enhancing quality of life
• Increasing senior safety and decreasing risk of falls
• Keeping seniors out of nursing homes

Impact:
• 61 low-income seniors were able to remain living safely and independently in their own homes last year thanks to the Charitable Care program
• 1,589 seniors received in-home assessments and assistance connecting them to vital resources

$55,925
Average annual nursing home cost in Missouri*

$8,525
Average annual cost for a senior to receive part-time care through this program
YOUR GIFT CHANGES LIVES

Meet Arthur and Felicia

Arthur and Felicia have been married for more than 50 years. They have raised 3 children and lived throughout the United States.

“In 2014, we came to St. Louis to be closer to our son. We found a great low-income senior housing community in South City and had just barely settled in when Arthur had a stroke,” says Felicia. “Not long after his recovery, we were in a terrible car accident...we had broken nearly every bone in our bodies,” Felicia continues.

After 100 days in recovery, they returned to their home. They were both in wheelchairs and will be for the rest of their lives. “We really didn’t know what we were going to do. We were really in dire straits trying to get along here on our own.” Felicia re-broke her ribs trying to do the laundry from her wheelchair,” Arthur adds. “Arthur has fallen 3 times breaking his hip and his nose and recently was diagnosed with Parkinson’s,” Felicia interjects.

If it weren’t for the St. Andrew’s Charitable In-Home Care Program, they would have continued to be in dire straits. Patricia, a Senior Solutions caregiver, visits them twice a week. She helps with their laundry, errands, groceries, housekeeping, and meal preparation. “We just can’t thank you enough,” says Arthur, “This program has been a Godsend.”

Serving More Than 8,700 People Each Year
St. Andrew’s was listed as #46 in the Nation’s Largest Not-for-Profit Providers of Affordable Housing by 2015 Leading Age Ziegler 150 book.
Project Independence workers provided minor home repairs enabling 80 low-income seniors to remain living safely and independently in their own home. A variety of repairs are provided at no charge. The repairs help ensure safety, maintain sanitation, and prevent avoidable accidents.

Why?
One out of 3 older people fall each year. Approximately 20% of these falls cause a serious injury, such as broken bones or a head injury. Home hazards and dangers, such as a broken railing or steps, are one of the major reasons for seniors falling. Making this even more challenging is the reality that it is very difficult to find a reliable, qualified home repair company that will take on small projects.

Project Independence was created to address safety hazards and concerns in the homes of low-income seniors who have no ability to pay for minor home repairs. These seniors own their homes, but struggle to afford such necessities as food, clothing, utilities, and prescriptions. Without these repairs, they would most likely continue to remain living in their unsafe environment with high risk of injury or hospitalization.

Statistics:
• 1 in 3 older adults falls each year (CDC.gov)
• 1 in 5 falls leads to serious injury (CDC.gov)
• 2.8 million seniors are treated in emergency departments for fall injuries each year. (CDC.gov)
• 95% of hip fractures are caused by falling (CDC.gov)
• 30% of St. Louis Seniors are considered to be cost burdened, having difficulty to afford such necessities as food, medicine, and utilities (Missouri Senior Report)
• $1,200 – Average monthly income of seniors receiving home repairs
• $597 – Average cost per home repair

Key Benefits:
• Maintaining seniors safely in their own homes
• Increasing senior safety and decreasing risk of falls
• Enhancing each seniors’ quality of life

Impact:
• 67 low-income seniors received home repairs last year through Project Independence
YOUR GIFT CHANGES LIVES

Meet Lillie

Simple minor home repairs can greatly reduce a senior’s risk of falling. Last year, Lillie, a 77 year old widow, called in desperation. Lillie had survived bypass surgery, colon cancer, and breast cancer. She relies on a walker and lives on the second floor of a duplex that she had purchased with her husband more than 20 years ago.

“The railings on my front porch had fallen down years ago, and since my husband always fixed things around the house, I didn’t know where to turn. I didn’t have any money for a repairman so I just let them lay there. It wasn’t until I had my bypass surgery and wasn’t very steady walking that I just knew I had to get that fixed,” Lillie explains.

“John, the St. Andrew’s handyman, came and fixed the railings in one day AND he added a railing around the entire porch! He even fixed that broken bench so I would have somewhere to sit and catch my breath after coming down those stairs,” Lillie continues.

“Oh yes, I feel safer,” Lillie says, “but I always feel safe because I trust Jesus is watching over me. He has always been good to me. In fact, maybe He is the One that made this all possible.”
CHARITABLE ASSISTANCE

In 2015, your investment helped provide Charitable Assistance to financially burdened residents with St. Andrew’s communities. Your support enables residents who outlive their financial resources, through no fault of their own, to remain in St. Andrew’s communities by covering a portion of their monthly fees.

Why:
Seniors are living longer than ever before and many are outliving their resources. Your gifts to the Charitable Assistance program helps alleviate some of the financial burden of residents and prevents displacement when they can no longer cover the cost of their care on their own.

Statistics:
Seniors are living longer

The reality
- Life expectancy has increased by 32 years since 1900
- There are more seniors than ever before. By 2050 the number of Americans age 65 plus will double and the number over 85 will triple
- Seniors are outliving their money. In both St. Louis City and St. Louis County, 29% of adults age 65 plus are cost burdened

The Answer
- Charitable assistance allows seniors to remain living and thriving in their place of choice
- Charitable assistance means seniors continue to receive the level of care they need
- Charitable assistance promotes quality of living for all seniors

The Impact You Make
- $260,000 of charitable assistance was provided to residents of St. Andrew’s communities
- $72,500 was used to support the spiritual needs of St. Andrew’s residents and their families
- 282 donated items such as clothing, basic hygiene items and non-perishable food items were gathered and distributed during the holiday season to low-income seniors

By 2050 the number of Americans over 65 will double and the number over 85 will triple (US National Institute on Aging)
THE 
ST. ANDREW’S WAY

Meet Maeve

Maeve and her husband, Don, who was a senior executive at a local bank, raised their family in the St. Louis area. Maeve stayed home with the kids. After Don retired, they visited their children and grandchildren. They loved those years together.

When Maeve was 77, Don died. Several years later, she found she was no longer able to stay at home alone. She needed that little extra help with daily living that is available at an assisted living facility. She and Don had thankfully planned for such a possibility. With the help of her children, Maeve moved into Brook Park, a not-for-profit, faith-based Life Plan Retirement Community for active seniors, offering a full spectrum of health services. It was close to her daughter’s home, and was located in the midst of familiar surroundings.

Maeve never looked back – until recently. She is now 94 and never dreamed she’d live this long. The recession hit her savings hard. In addition, she did what a lot of parents do during times of economic upheaval – helped her kids. Given her dwindling finances, Maeve and her children began to worry about the real possibility that they would be forced to move her. Although she considered Brook Park her home, the realities of her finances indicated she needed to explore other options. She and her family turned to the St. Andrew’s staff about their concerns.

Instead of offering to help find a new home as Maeve’s family expected, the staff let them know about the St. Andrew’s Charitable Foundation and its mission. Together, Maeve and her family worked with the Foundation to develop an approach that would see Maeve through. As a result, the feared relocation never occurred – nor will it. Maeve still resides and thrives at Brook Park. Thanks to the hearts of generous donors through the Foundation, Maeve has a home as long as she needs it.

Serving More Than 8,700 People Each Year
FRIENDS OF ST. ANDREW’S

A dedicated group of volunteers that come together for one cause...to help seniors.

Friends of St. Andrew’s

10,000 Americans turn 65 every day. Most can expect to live at least another 20 years, and will very likely outlive their savings.

The Friends of St. Andrew’s committee seeks to make the world a little brighter and safer for those who have given so much to society throughout their lives. By making a charitable contribution of $50 or more, Friends help seniors who urgently need assistance.

As investors in our mission, Friends receive email updates that provide exclusive insight on who we serve, the challenges they face and how to engage in meaningful St. Andrew’s volunteer opportunities.

ADOPT-A-SENIOR

St. Louis is home to many seniors that are outliving their means and struggling to have their basic needs met, especially during the winter months. St. Andrew’s Adopt-A-Senior program is a project undertaken each year by Friends of St. Andrew’s volunteers to provide gifts and desperately needed items to some of the St. Louis Community’s neediest seniors during the holiday season. This program provides the opportunity to bless seniors that otherwise might not have any presents under their trees, beds to sleep in, or coats to keep them warm.

During the 2016 program St. Andrew’s and generous community members:

- Adopted 66 seniors
- Distributed 197 packages among them
- Raised $3,025.17 in monetary Adoption Funds
- Provided a total of 538 Walgreens gift cards to 8 St. Andrew’s low-income housing facilities
- Sponsored 3 holiday parties at St. Andrew’s low-income housing facilities

During the 2016 Adopt-A-Senior program the kindness of our donors brought hope to people like Vangie Armstrong and reminded her of the goodness within people. Vangie was previously turned down by every agency that she approached for help… until she was connected to St. Andrew’s.

Vangie had been on oxygen for years and needed help around the house. Ordinary tasks were a struggle. After Vangie began receiving assistance from a St. Andrew’s caregiver, she was freed of stress that haunted her previously. Vangie was able to focus her energy on her health, loosing over 100 pounds and no longer needing an oxygen tank.

“...What you do is so appreciated. I am glad that you donate your time and efforts to help the elderly, even for people you don’t know.” The sentiments of Vangie Armstrong are felt by our many low-income residents and service recipients.

— Vangie, Adopt-A-Senior Recipient
Every day, our partners help low-income seniors worry less and thrive more.
LOVING HOPE
GOLF OUTING

The St. Andrew’s 5th Annual Loving Hope Golf Outing was held August 29 at the Four Seasons Country Club. The event raises funds to support the charitable financial assistance program at Brooking Park.

• CliftonLarsonAllen

Bronze Sponsor:
• Lawrence Group Architects
• Hercules Construction Management Co.

“We are so grateful for the tremendous efforts of the Golf Committee and the generosity of those who took part in this wonderful event. The funds raised at this event help support our financially troubled seniors so they can continue to live at Brooking Park.”

— Susan McClenahan
Executive Director
Brooking Park

More than $65,000 raised for Charitable Financial Assistance at Brooking Park.
Ageless Goes Beyond a State of Mind for St. Andrew’s

This award winning program celebrates seniors over the age of 75 who are living active and vital lives. Honorees exemplify St. Andrew’s vision of a society where all older adults are respected, productive, secure, and fulfilled.

The Ageless Remarkable Saint Louisans Gala, honors St. Louis seniors who are redefining aging. Funds raised help St. Andrew’s provide more than $1.1 million in charitable care to St. Louis seniors.

The 14th Annual Ageless Remarkable Saint Louisans Gala was held on November 15 at the Hyatt Regency St. Louis at the Arch. The Gala paid tribute to 17 older adults, aged 75+, who are living proof that retirement doesn’t have to be synonymous with slowing down. From traveling the world and embarking on new careers, to offering their time and talents to their favorite charitable organizations and lending a hand in their communities, this year’s class of Ageless Remarkable St. Louisans continues to reshape the face of aging in our region and provides a fresh perspective on what it means to grow older.

More than $530,000 raised for seniors in need.

It’s important to give back, to be involved with organizations like St. Andrew’s that make a positive difference in the lives of so many people. — Ralph H. Thaman, Jr.
THANK YOU FOR HELPING ST. LOUIS SENIORS IN NEED

Your generosity brings hope to St. Louis seniors.

*You Can Help Seniors Worry Less*
Your Gift to the St. Andrew’s Charitable Foundation makes a vital impact in the lives of low-income and financially troubled seniors. Your generosity can help provide them with care, shelter, and safety.

**YOUR GIFT OF:**

**$2,500** Can help support a home-bound senior who would otherwise not be able to remain in his/her home for a year.

**$1,000** Can help a senior, whose financial resources are exhausted, continue to stay in one of our facilities by proving financial assistance.

**$500** Will assist a senior to remain safely at home by providing a much needed minor home repair such as installing a handrail on their stairs or fixing a broken door.

**$250** Can “adopt” a low-income senior to ensure that he or she receives basic living need items during the holiday season

**$100** Can help pay for transportation services to the grocery store, medical appointments and other outings for seniors living in our communities.

**WAYS TO GIVE:**

- Gifts of Cash or Stocks
- Memorials/Tributes
- Gift Annuities
- Life Insurance Beneficiary Designations
- Bequest Gifts to the St. Andrew’s Legacy Society
- Volunteer
- Gifts in Kind

Your gift is an investment in the future for you, your family, your friends and your community. To learn more, or to request some of our informative brochures, contact the Foundation staff at (314) 726-1843.
On behalf of the entire St. Andrew’s family, Thank you!
