

Thomas Jefferson, America's "first distinguished viticulturist", envisioned vineyards surrounding his mountaintop home, Monticello, and wines from his native state standing shoulder to shoulder with the greatest wines of the world.

More than 200 years later, members of the Monticello Wine Trail (MWT) are passionately working to fulfill Jefferson's dream. Our dynamic community of winemakers and vineyard workers are shaping the Monticello American Viticultural Area (AVA) into a distinctive wine region known for producing quality wines, with an authentic expression of place, that receive national and international acclaim.

The MWT currently has over 30 member wineries surrounding Charlottesville throughout the countryside of Albemarle, Fluvanna, Greene, Madison, Nelson and Orange counties. Each member takes great pleasure in welcoming visitors from around the world to experience their wines, relax in the bucolic countryside, and share their pride in Virginia's winemaking heritage. The distinctive characteristics of this place will be evident as you explore the Birthplace of American Wine.

PLAN YOUR TRIP!

We encourage visitors to explore our website and become familiar with the area and each winery's offerings before your visit. Most wineries are open year round and each season offers a unique look into our wine country.

Additionally each spring, members come together for Taste of Monticello Wine Week to celebrate the best our AVA has to offer. The week features an array of culinary events, winery and vineyard tours, and annual signature events including the Sparkling Brunch, Rosé Lunch and Monticello Cup Awards.

To plan your exploration of the Monticello AVA and all that our growing wine region has to offer, please call on our partners for detailed information about accommodations, winery tour transportation, and local attractions.
