- Button

![Felt Bunny Diagram](image)
Step 1
Cut out the pattern parts.

Step 2
Pin patterns to correct color felt. (smaller pieces just hold in place)
Step 3
Cut out felt pieces.

Step 4
Sew on the nose, bow, heart, flower, and eye button to the front body piece. Sew on the insides of the ears.
Step 5  Tuck in the tail, ears, and pink strap and pin down.

Step 6  Pin the two sides together and begin to sew around.

Leave open for stuffing.
Step 7
Fill the bunny with stuffing. You can use a pencil to poke it in. Then sew up the opening.
