Endorsements

“With a holy boldness Martin Luther took his stand contra mundum, against the world. This documentary takes us back to these definitive moments. We see Luther in full color and larger than life. This documentary also brings us right to the present day, challenging us to take our stand with the same boldness so that we might have a new Reformation and again see the light of the gospel dispel the darkness.”

—R.C. SPROUL, FOUNDER AND CHAIRMAN, LIGONIER MINISTRIES

“There's no better time to get to know Martin Luther than right now, at the 500th anniversary of the day he changed the world. *LUTHER* is a powerful introduction to his life and times, to his Savior and hope.”
