THIS SERVICE AGREEMENT ("Agreement") between Customer and *SimplyHome*, LLC governs the purchase of all Services ("Services") and Equipment ("Equipment") defined below.

General Services: *SimplyHome* systems allow an individual, designated family members, and/or caregivers ("Customer") to receive and provide noninvasive support and various notifications without having to be at home 24/7. The system tracks specific activities and controls items in the home, and provides notifications.

Quote for Specific Services and Fees: After reviewing Customer's needs, desired outcomes, and living space in-person or remotely, *SimplyHome* will provide Customer a quote including: (i) Service details, (ii) Equipment, and (iii) related monthly fees. This Agreement applies to and is incorporated into *SimplyHome's* quote.

Term and Termination: This month-to-month Agreement begins on the service activation date and renews monthly, on the first day of the month, unless terminated by either party upon written notice to the other. Customer may cancel this Agreement at any time prior to Equipment installation. Upon any termination, partial month Service Fees are not prorated or refunded.

Equipment Returns and Refunds: Customer may return purchased Equipment for a refund as follows: (a) 30 days-100%, (b) 30-90 days-50%, and (c) 90-180 days-25%. Consumables such as but not limited to panic pendants and incontinence pads/sensors are non-refundable. Refunds exclude monthly Service, shipping, programming or installation fees. To receive a refund, all purchased Equipment must be returned to *SimplyHome* within 30 days of the Services end date **and** in proper working condition. If all Equipment is not returned, returned late, or is not in working condition, Customer may have to pay any hardware, installation, programming, or shipping fees that were originally waived. Service fees for rental Equipment continue until all Equipment is returned. If any rental Equipment is not returned or is returned but not in proper working condition, Customer must pay for the hardware at the prevailing manufacturer's retail price.

Customer Acknowledgement – System is Supplemental Function Only: Customer understands no system is 100% effective and *SimplyHome* recommends notification redundancy. *SimplyHome's* process, products, and Services are only supplemental to caregivers. No system can prevent a negative action or choice from happening, nor can it predict medical or other incidents, regardless of the Services, Equipment, or process provided by *SimplyHome*. Human error by providers or municipal authorities is possible and system signals may not be received if the transmission mode is cut or damaged. Customer has final responsibility for the condition, regular testing, and verifying the system is operating properly.

Connectivity: *SimplyHome* will obtain the required cellular connection for some of its devices and services, which will be noted at the point of sale. For all other equipment or services, Customer is responsible for obtaining, maintaining, and paying for the connectivity required to process system information and receive system notifications.

Equipment Costs and Service Fees: Customer must pay for Equipment, applicable taxes, international duties, and shipping, in US dollars, at the time of purchase. All monthly Service fees are payable in full at the beginning of each month, for that month, plus any one-time partial month fee for Service start-up. Any unpaid fees over 31 days incur a 1.5% monthly finance charge. *SimplyHome* may suspend Customer's Service for unpaid fees. Payments may be made by credit card at (877) 684-3581 or by check to P.O. Box 1155, Arden, North Carolina, 28704. *SimplyHome* may change Service fees at any time with a 90-day advance notice.

Third Party Fees: Customer is responsible for any fees or charges imposed by any state entity, telephone company, call center, or third party care providers related to false notification assessments, reprogramming alarm controls, connectivity changes, device updates, or other changes in the Equipment or Service.

On-Site Customer Support Fee: *SimplyHome* may charge Customer if a *SimplyHome* representative is sent to Customer's premises in response to a Service call or alarm signal caused by the Customer improperly following operating instructions, failing to close or properly secure a window, door, any other protected point, or improperly adjusting CCTV cameras, monitors, or unplugging or tampering with accessory components.

Title and Lien: Title to the Equipment remains with *SimplyHome* until the full purchase price is paid and by this Agreement Customer provides *SimplyHome* a lien interest on all purchased Equipment.

Third Party Equipment: *SimplyHome* uses hardware and software from several vendors that have authorized *SimplyHome* to sell Services for Customer's use with other hardware and products that enable Customer's Services. Except as warranted, *SimplyHome* is not responsible for Equipment manufactured by third parties.

All *SimplyHome* Services and Equipment are provided "as is," from vendors with all faults. *SimplyHome* disclaims all express or implied warranties to Customer, and all warranties to or for the benefit of any third party, including all warranties of merchantability, fitness for a particular purpose, accuracy, systems integration, or non-infringement.

One-Year Warranty on Equipment: *SimplyHome* will replace any installed system component with a manufacturer's defect, at no cost to the Customer, up to one year from install. This warranty excludes: (a) Customer damage, overuse, or misuse, including Equipment that is dropped, thrown, or exposed to water, (b) any self-repairs or modified systems, Services, or Equipment different than Customer's originally approved specifications, (c) any provided equipment which requires hardware modifications, even if such modifications are done by *SimplyHome*; and, (d) any 3rd party manufactured devices that expressly claim a warranty shorter than one-year, such as bed and chair pads, will follow the 3rd party manufacturer's provided warranty.

Force majeure: *SimplyHome* shall not be liable for any delay or failure to perform caused by or resulting from acts of God, fire, flood, accident, equipment failure, or any other causes beyond its control.

Not a Security System and No Insurance: *SimplyHome* is not insuring the safety of persons in or around Customer's premises nor personal property. Limitation of Liability: *SimplyHome's* liability to Customer for all damages, injury, or loss is limited to the annual fees *SimplyHome* receives from Customer in the year preceding the loss, regardless of the legal theory. Neither party shall be liable for any incidental, or consequential damages, property damage, business interruption, loss of profits, personal injury or death. Customer waives all subrogation and other rights of recovery against *SimplyHome* that any insurer or other person may have due to paying any such claim.
