15.8% people reporting food insecurity who do not qualify for federal nutrition assistance, Klamath County
17% children in food insecure households who do not qualify for federal nutrition assistance, Klamath County

SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM

PROGRAM ACCESS INDEX (PAI)*
This indicator estimates SNAP utilization in this county. It is a ratio comparing people participating in SNAP with all income-eligible people. In some counties, time limits may cause a participation gap. These kick some individuals off SNAP after three months even if they are income-eligible.
Out of an average population of 100 people in this county, this visualization represents: those who are participating in SNAP, eligible for SNAP but not participating, and receiving the Food Distribution Program on Indian Reservations (FDPIR).

PAI for all people, Klamath County: .79
PAI for people over 65, Klamath County: .49
PAI for all children, Klamath County: .86

17,638 average monthly SNAP participants, Klamath County
$25,982,908 annual value of SNAP benefits, Klamath County

227,279 estimated income eligible people not participating in SNAP, statewide
$339,872,781 estimated annual value of increasing SNAP participation, statewide

Time limits on SNAP are not in place for Able-Bodied Adults without Dependents in Klamath County, 2017

**ABOUT THE OREGON HUNGER TASK FORCE**

The Oregon Hunger Task Force was created by the State Legislature to act as a resource within government and as a statewide advocate for Oregonians who are hungry or at risk of hunger. Made up of legislators, state agency representatives, and nonprofit and community leaders, the Oregon Hunger Task Force works collaboratively with stakeholders throughout Oregon to: research, document, and raise awareness about the extent of hunger in Oregon, coordinate the provision of food and nutrition services across the state, and make recommendations for government action for the alleviation of hunger.
