

WHO WE ARE

The **Major Minors** is Middle Tennessee's only musical arts organization specifically created for teens (ages 14-18) of all sexual orientations, gender identities, gender expressions, and their allies. We invite young people to be themselves without apology. Major Minors is the youth branch of **Nashville in Harmony**.

WHY WE SING

Our mission is to use music to build community and create social change. The chorus is a safe, welcoming, and accessible place for all youth to celebrate their joy, diversity, strength, and pride. Members find their own voice and unique identity within a welcoming community. If you believe what we believe, that music is a powerful way to make this world a better place, we want you to join us.

WHAT WE SING

We perform a diverse selection of music aligned with our mission, from choral to pop, issue-driven to purely fun, unaccompanied to orchestral, and everything in between.
