## UPPERDECK

At Upperdeck, we pride ourselves on cooking good quality, fresh food sourced from only the very best suppliers.

Our steaks are sourced and delivered daily from Westcountry butchers, reared locally and hung for 28 days to mature and intensify the flavour.

Our bread comes in fresh from Baker Tom's who bakes fresh speciality bread using traditional baking methods and the finest organic ingredients.

Our seafood arrives daily from Celtic Fish and Game, landed locally in Newlyn and Plymouth to ensure its sustainability; with a trace on each fish to the boat that caught it.

Please let one of the team know about any allergies or specific dietary requirements and we will do our best to accommodate you.

## ABOUT OUR CUTS

### RUMP

from the rear & full of flavour, try with our Rioja

### RIB-EYE

one of the fore ribs, tender, fatty & flavoursome, wash down with a fruity Claret

### SIRLOIN

taken from between the rib & the fillet, beautifully lean & delicious, great with our Spanish Tempranillo-Shiraz

### FILLET

our prime cut, very lean and tender, enjoy with our Pomerol
