

Laramie Soccer Club

Refund Policy

The club incurs costs for player insurance and processing fees upon player registration. These fees are non-refundable.

In addition, teams are formed and registered into leagues based on player numbers. Once the club commits teams to a league, the team depends on those registered players to fill out their roster for the playing season. United Academy teams commit to the league once in the fall (first part of July) and once in the spring (first part of March). United Travel teams commit to the league for the full soccer year (during the first week in June). Because of the size of the player pool in our community, each player is important in making sure our teams have adequate roster sizes.

Refunds will only be considered when requested on the refund request form.
