Share Spinner

What you need?
A pair of scissors, pencil and a paperclip.

How does it work?
1. Print and cut out of the spinner.
2. Place the paperclip over the centre of the circle.
3. Place the tip of the pencil through the paperclip onto the centre of the circle.
4. Flick the paperclip to let it spin.
5. Ask a question using the question word that the paperclip lands on.

How will you share?
