Reacting Behaviours

**Supporting**
When you say you agree with someone or like their idea

- That’s a good idea!
- Yes, I agree with you!
- I like what you say.

**Disagreeing**
When you say you don’t agree with what someone is saying

- I disagree with what you say.
- I don’t think that’s right.
- I don’t think that will work.

Clarifying Behaviours

**Summarising**
Bringing together what has been said in a shorter way

- So if we put all the ideas together, what we have said is...

**Testing Understanding**
Checking you’ve understood and that others understand you

- Do you mean that...
- Can I check you’ve told us that...

**Giving Information**
Telling people things

- The facts are...
- The information I have is...
- What we know is...

**Seeking Information**
Asking questions and trying to find things out

- Do you think that...?
- Can you tell me a bit more about that?
- Why do you think that?
