PATIENT FINANCIAL RESPONSIBILITY DISCLOSURE

Your signature below forms a binding agreement between Treasure Valley Gastroenterology (TVG – the provider of medical services) and the Patient who is receiving medical services or the Responsible Party for minor patients (those under 18 years old). Responsible Party is the individual who is financially responsible for payment of medical bills.

All charges for services rendered are due and payable at the time of service.

As a courtesy, we will bill your primary and secondary insurance carrier if you provide **ALL** necessary information (such as insurance cards and/or completed and signed claim forms if your carrier requires it, and their **CORRECT** billing address.) ALL co-pays are collected for each visit at check-in.

MEDICAL INSURANCE: We are contracted with Medicare, Medicaid, Blue Cross and Blue Shield, and we will bill them as a service (courtesy) to you. As the responsible party, you are responsible if your insurance company declines to pay for any reason. Your coverage is a contract between YOU and YOUR INSURANCE COMPANY. Should they fail to make payment on a claim for any reason, you are responsible for the remaining balance.

The person signing on behalf of the Patient as the Responsible Party must:

- Inform TVG of the current address and phone number for the patient and the responsible party.
- Present all current insurance cards prior to each office visit.
- Verify at each visit that the information is current.
- Pay any required co-pay at the time of the visit.
- Pay any additional amount owing within 30 days of receiving a statement from our office. *(When TVG receives an explanation of benefits (EOB) from your insurance company, any amounts that you need to pay will be billed to you).*

Returned Check Policy: If a payment is made on an account by check and the check is returned as Non-Sufficient Funds (NSF), Account Closed (AC), or Refer to Maker (RTM), the patient or the Patient's Responsible Party will be responsible for the original check amount in addition to a \$35.00 Service Charge. Once notice is received of the returned check, TVG will send out a letter to notify the Responsible Party of the returned check. If a response is not made within 15 days from the letter date by the Patient or the Responsible Party, the account may be turned over to our collection agency and a collection fee of 50% will be added to the outstanding balance – in addition to the \$35.00 Check Service Charge.

Non-Payment on Account: Should collection proceedings or other legal action become necessary to collect an overdue account, the patient or the patient's Responsible Party, understands that TVG has the right to disclose to an outside collection agency all relevant personal and account information necessary to collect payment for services rendered. The patient, or the patient's Responsible Party, understands that they are responsible for all costs of collection including, but not limited to, interest due at 18% APR, all court costs and Attorney fees, and a collection fee of 50% will be added to the outstanding balance. By signing below, you agree to accept full financial responsibility as a patient who is receiving medical services, or as the responsible party for minor patients. Your signature verifies that you have read the above disclosure statement, understand your responsibilities, and agree to these terms.
