

Competency Guidelines for Culturally Sensitive, Relationship-Focused Practice Promoting Infant and Early Childhood Mental Health

Infant Family Associate Endorsement® Requirements

Education and/or Work Experience	Any academic degree, including Bachelors, Masters, Doctorate OR Official transcript/certificate from Child Development Associate (CDA) OR Official transcript from Associate’s degree (AD) in related area OR Two years of infant and early childhood-related paid work experience ¹ (include official transcripts from any college courses completed)
Training	Applicants will include as many hours of relationship-based training and/or continuing education as necessary to document that competencies (as specified in <i>Competency Guidelines</i> ®) have been met. <ul style="list-style-type: none"> • For those whose degree is in a field that is unrelated to IMH, more specialized in-service training may be required to meet the breadth and depth of the competencies • Training content will include the promotion of social-emotional development and the principles of infant mental health • Typically, successful IFA applications include an average of 45 or more hours of specialized training unless the applicant has completed coursework specific to IMH competencies • Minimum 30 clock hours required
Professional Reference Ratings	Total of three ratings: <ol style="list-style-type: none"> 1. One must come from a current supervisor 2. At least one must come from an individual who meets IMH-E® requirements at IFS, IMHS, or IMHM OR is familiar with the <i>Competency Guidelines</i>® and vetted by the infant mental health association that is responsible for endorsing² 3. One can come from a colleague, teacher, CDA mentor, or Board member. The reference rater must be familiar with the applicant’s knowledge of infant mental health principles
Code of Ethics & Endorsement® Agreement	Signed
Demonstration of Competencies	Application will document that competencies have been adequately met through course work, paid and/or volunteer work experiences, or in-service training. Written examination not required for applicants seeking Infant Family Associate Endorsement®
Professional Membership	Membership in an infant mental health association

¹ Volunteer experience may meet this criterion if it was a) supervised experience with women during pregnancy or with infants, toddlers, & families AND b) included specialized training. Examples include CASA, Doula, Child Life Specialist. Please contact your association’s Endorsement® Coordinator to see if your volunteer experience fits.

² The vetting of a reference rater who is not Endorsed consists of a phone call with the proposed rater so Endorsement® Coordinator can determine if proposed rater has a copy of the *Competency Guidelines*® and is familiar enough with them to rate the applicant’s knowledge and skills as defined in them. The decision to accept the vetted reference rater will be documented by Endorsement® Coordinator in the References section of the applicant’s EASy application.

Competency Guidelines for Culturally Sensitive, Relationship-Focused Practice Promoting Infant and Early Childhood Mental Health
