A  Ballad, Light Swing  \( j = 60 \)

At last my love has come along

My lonely days are over

And life is like a song.

Oh yeah at last the skies above are blue

My heart’s wrapped up in clover

The night I looked at you

I found a dream that I could speak to

A dream that I could call my own.

I found a thrill to press my cheek to

A thrill that I’ve never known.

You smiled, you smiles, then the spell was cast.

And here we are in heaven

For you are mine at last.
