

# MIGRAINE & DISABILITY

Migraine is the  
**2<sup>ND</sup> LEADING CAUSE**  
of **GLOBAL DISABILITY**

Severe migraine attacks carry a disability weight similar to that of:

- Quadriplegia
- Dementia
- Active Psychosis<sup>1</sup>

U.S. workers with a migraine  
15+ days per month

**LOSE ABOUT 14%**  
OF ANNUAL PRODUCTIVITY<sup>2</sup>

20% of Americans with a migraine  
15+ days per month report being  
**OCCUPATIONALLY DISABLED,**  
OR UNABLE TO COMPLETE THE  
TASKS REQUIRED BY THEIR JOBS<sup>3</sup>
