LEADERSHIP

Through our Citadel program, we develop passionate leaders that are prepared to engage and influence the world around them. The Citadel program provides students with real life experience in logistical and budget planning, conflict management, public speaking, and discipleship. Our weekly chapel is also student-led by the Chapel Leadership Team.

SERVICE LEARNING

At MVC, all students participate in service learning through our Nehemiah Project, partnering with various non-profit organizations in the greater Tulsa area. Our high school students are required to complete 20 hours of community service each year through the Jump Out Service Day, the Annual Serve-a-thon, and individually arranged service projects.

PERFORMANCE

MVC has graduated six National Merit Finalists, seven National Merit Commended students, and one National Hispanic Scholar.
