**About Sociedad Latina**

Since 1968, Sociedad Latina has worked in partnership with Latine youth and families to end destructive cycles of poverty, health disparities, and lack of opportunity in our community. Through our Pathways to Success model, we pioneer new and innovative solutions to the most pressing issues facing Latine youth today, supporting positive youth development from age 11-21, creating a community that supports young people and training all youth to advocate for themselves and their communities. Our comprehensive, intensive array of programming builds skills in the following areas: Education, Workforce Development, Civic Engagement, STEM and Arts & Culture. Sociedad Latina’s youth programming offers young people a safe, nurturing environment that focuses on social-emotional skill development, builds positive relationships with caring adults and promotes a positive cultural identity with the goal of supporting youth to grow into confident, competent, self-sustaining adults who are proud of their culture and language.

**Youth Development Specialist - College Access and Success Job Summary**
