Em – C – G – D

Verse

Em C G D
The thought of the cross brings me to my knees
Em C G D
To know that my saviour came to die for me
Em C G D
I was beaten up and broken, I was tired from my hurting
Em C G D
Now I never want to let You go

I found You at the cross, You found me on my knees
My nothing left to give, was Your everything I need
I was lost and I was lonely, scared of the fear within
Now I really want to let You know

Chorus

Em C G D
I was dead and gone now You found me
Em C G D
I was torn apart but You're the missing piece
Em C G D
I'm lost for words, I'm lost in love
Em C G D
Whoa, I'm lost in love

Verse

You poured out Your life, poured it out for me
You turned me from my pride, You turned this heart to see
That I was never gunna make it, I couldn't do it on my own
Now I never want to let you go

Ending

Whoa, I'm lost in love (repeat)
