

REIMAGINE RESALE DONATION INFORMATION

Thank you for your interest in donating on behalf of the Love146 Reimagine Resale Shop anticipated to open Spring of 2017. We created the Reimagine Resale shop because we believe in restoring value to what has been discarded by others. Your willingness and desire to join the fight to end child trafficking and exploitation is greatly appreciated. Our store location will be in the Greater Inwood area near U.S. 290. Although the store has not yet opened, your generous donations will play a part to help us get up and running. For additional updated information about the shop location and hours, please check in with us via email.

“You are now part of the hope and solutions for these children. Abolishing child trafficking and exploitation takes commitment and work. It will also take a collective shout from people who are adding their voices to the voices of children who are not being heard. On behalf of the children we serve, thank you for your passion and action. Thank you for joining in the collective shout.”

— ROB MORRIS, PRESIDENT AND CO-FOUNDER, LOVE146
