

# Five Ways To Fail In Times Of Change

Somewhere in your journey of change, you will fail. The key is to plan for that failure and quickly recognize how to use it as a guide post to achieving your desired outcomes. Here are five ways to fail... so you can succeed.

**Fail Fast**

While resistance is low.

**Fail Forward**

What next step does this lead to?

**Fail Smart**

What did you learn?

**Fail Cheap**

What's the smallest way to test the change?

**Fail With Integrity**

Trust is everything.
