## From the Principal's Desk

Welcome back to Term 3.

Our term has already begun with great excitement with Mrs Carroll having her little baby daughter, Isabelle Elizabeth last Tuesday. Our congratulations and best wishes go to Mel and Ben and to Mrs Kearton who is a very proud grandma!

We extend a special warm welcome to Olivia A. (a new member of 5B) and her family and hope they enjoy being part of the WP community.

We also warmly welcome four new staff members. Mr Nathan Percy, who is our new classroom teacher for 4A, is very excited to be a new member of our teaching team. Miss Tori Kontra, Mrs. Lina Italia and Mrs Michelle Frohlich are also enjoying their new education support roles in the junior school, 3A and the senior school.

### Improvements around our school

What great improvements we have seen around our school over the past few weeks! Our newly asphalted car park looks amazing and the improved drainage will help manage run off from Dudley Road. New line marking will be completed shortly, finishing a long awaited carpark project! Other works include new asphalt pathways, new guttering on the roof over the basketball court and new platform lifts, pathways and a boardwalk to improve access down to the 3/4 learning pod.

Improvements to fencing around the school is also underway with new access gates being installed at the end of the basketball court and maintenance work along Lantana Drive.

### Parent Opinion Survey

The school values parent input and feedback to help our learning community continue to improve. Each year the Department of Education conducts an opinion survey amongst a sample of the school community (approximately 30%). This year for the first time, the survey will be conducted online. Families who have been randomly selected to complete the survey will receive information early next week. We thank you in advance for taking part in this important process!

### 2018 Prep Transition

Yesterday we welcomed our 2018 preps for their first transition session.

It was so lovely to see how excited and confident they all were! We look forward to getting to know them over the next three transition sessions. Our Storytime sessions for pre-schoolers starts next **Wednesday, 2nd August**. A great program of stories and songs to introduce pre-schoolers and families to our learning community at Wonga Park.

### Student Reports & Three-Way Conferences

Last week most of our students and families attended for the opportunity to be a part of a three-way conference with the class teacher. This is a wonderful chance for students to share their learning growth and successes with their parents and to discuss what the next steps will be. Goal setting for all students is important to provide focus and challenge. I hope parents found the reports and the student self-assessments informative. The student portfolios are also very important in providing examples of student work. Students are very proud of their portfolio pieces and I am sure they will enjoy explaining their learning to you as they share this portfolio in more detail at home. We ask that these portfolios are returned to school in the next week or so that students can continue to add semester 2 tasks.

### Woolworths Earn and Learn

Woolworths Earn and Learn is on again. Simply earn one Earn and Learn sticker for every \$10 spent at Woolworths. You may drop your stickers in the Wonga Park Collection at the Chirnside Park Shopping Centre or return to school and drop in the collection box in the foyer. Sticker sheets are available at Chirnside Park or at the office. Start collecting now for our chance to earn amazing school resources.

### Deakin Literacy Project

As part of our links with Deakin University we currently have 22 pre-service teachers working on a literacy project with small groups in grade 3/4. Their focus is on developing students oral language skills, using technology to enrich the learning experiences.

### WPPS / Parklife Church Trivia Night

It is not too late to come along to the Parklife Church Trivia Night tonight—Friday 28th July, commences 7.30pm—9.30pm at 1 St Johns Road, Wonga Park. For more information, please head to [www.parklifechurch.com](http://www.parklifechurch.com)

### Open Night

Everyone is warmly welcome to our upcoming Open Night, next **Tuesday, 1st August starting at 6:00 pm.** Families are invited to join in the fun in each of the classrooms where there will be challenges to try out with your child. The choir will be performing and there will be a wonderful art show celebrating our budding artists. All welcome!

## STEPHANIE ALEXANDER KITCHEN GARDEN NEWS

**GARDEN NEWS** - a few things are enjoying the cool temperatures and even coping with the frosts. Pak choy, spring onions and lettuce are thriving and being harvested at the moment. Garlic is popping its little shoots up and loves the cold weather. Now that we have full access to the garden again with the pathway works completed, we have tidied up and will plant out the affected garden beds. The peach buds are about to burst, signalling the imminent arrival of spring.

Great excitement surrounded the visit of a TV crew to our garden on Wednesday. Five Level 4 students were fortunate enough to be included in the filming of the program, Channel 9's Garden Gurus. Melissa King, the presenter, was lovely (she grew up in Warrandyte). We will keep you posted about the date that the show will go to air (not for a few weeks). It will also be available on the Channel 9 website and YouTube.

**KITCHEN NEWS** - the chicken, mushroom and pak choy stir fry with fried rice went down a treat recently. We are finding plenty of ways to use apples, too, including simple apple crumble and yoghurt. The apple slinky machines are a big hit!!
