2021 Instructions for Lost Gear Recovery Team
June 7th at 6am to September 30th, 2021

1. Locate and recover lost gear (either on your own or using GPS data that we send you from others out on the water)

2. Record data in the *Trap Gear Retrieval Logbook* (see compliance guide for details). Even if you find gear and return it to a friend, please be sure to record the gear collected in the logbook.

3. Drop the pots off at the following locations:
   a. Monterey: Contact harbor office for directions at (831) 646-3950.
   b. Moss Landing: Fencing next to harbormaster office (Sherry will provide you with the combination #)
   c. Santa Cruz: Fencing in boatyard (Sherry will provide you with the combination #)

4. Text/call Sherry to let her know you have dropped gear off (831) 233-3101

*Do not collect scientific collection gear*, which has the letters “SC” for scientific collection.
