TOWN HALL THEATRE ANNOUNCES VIDEO OF *THE CHERRY ORCHARD*

MARCH 26, 2020 – Town Hall Theatre's production of Anton Chekhov's final elegiac comedy masterpiece, ***THE CHERRY ORCHARD***, in a new translation by Richard Nelson, Richard Pevear and Larissa Volokhonsky, is now available to watch on video. ***THE CHERRY ORCHARD*** video is accessible now through April 18, 2020. Tickets are \$27 - \$30, and are available through the Box Office at (925) 283-1557 or online at www.TownHallTheatre.com/the-cherry-orchard.

Watch a streaming version of Town Hall Theatre's ***THE CHERRY ORCHARD*** - bring the orchard into your home! While we had to cancel the second half of the run of live performances of ***THE CHERRY ORCHARD*** due to COVID-19, Town Hall worked with the licensing agency ICM Partners, and they generously allowed us to offer a video recording of the show for a limited period of time. If you meant to buy tickets and weren't able to, now is your chance to see Chekhov's prescient "human comedy" in a new translation of the playwright's original 1903 *pre-rehearsal* script. If anyone could make sense of challenging times, it was Anton Chekhov.

Purchase your ticket to view now through April 18 on our website or through our box office. Once you make your purchase, our box office will email you with web links for Parts 1 and 2; an email message from our Artistic Director Susan E. Evans; and a password to enter which will let you view the show. *The password*

will be active for 24 hours, and there's one view per ticket-holder. **THE CHERRY ORCHARD** program and information-packed Pre-Reading packet are also available for download on our website, so you can read about the production and the creative team. The price of your ticket to this video will provide funds to pay our creative team members, the Town Hall staff, and support our continued operations, so we can keep bringing you exciting theatre for community for the next 75 years.
