

VOLLEYSTRENGTH

DISCLAIMER

You should always consult your physician or other healthcare provider before starting an exercise program. There is a risk of injury associated with participating in all exercise activities, including the volleySTRENGTH program.

Purchase or implementation of the volleySTRENGTH program means the user hereby assume full responsibility for any and all injuries, losses and damages that may incur while attending, exercising or participating in volleySTRENGTH. Participation in volleySTRENGTH implicitly waives all claims against volleySTRENGTH, its instructors, or partners of individually or otherwise, for any and all injuries, claims or damages.
