

Megan's Law Background Check For Volunteers and Field Trip Chaperones

To provide a safe and protective environment for our students, Wildwood Christian Academy is using the Megan's Law database to complete background checks on all school volunteers. This database was set up to help identify adults who are registered as sex offenders. Because you have volunteered to help out at our school, a school sponsored event, field trip, or overnight excursion; you are subject to a background check utilizing this database. Thank you for your cooperation in increasing our ability to protect our students' well being.

I acknowledge that I am not a registered sex offender and I give Wildwood Christian Academy permission to utilize my personal information below to check the Megan's Law database to confirm this.
