Features:

- A harmonious collage of intriguing textures framed in a picture perfect 3" x 3" tile. With subtle color variation, we recommend creating a full feature wall, yet a 3" border will add a subtile focal point to any plain tile.
- May be used in any wall situation, not tested for pools.

Applications:

- makes an eye-catching design statement for the home, bringing life and variety to kitchen back-splashes, bathrooms, mirror and fireplace surrounds, and feature walls.
