

## Chant for the Seasons

Autumn cold has turned the star-wheel, winter is upon us (repeat)

Gray the windy storms, cold upon our cheeks the wet rain glistens, glistens.

Autumn cold has turned the star-wheel, winter is upon us.

Leaping is the fire, golden in the glass, the cider glows like amber.

Autumn cold has turned the star-wheel, winter is upon us.

## **Be Ye Lamps**

Be ye lamps unto yourselves. Be your own confidence.

Hold to the truth within yourselves as to the only lamp.

## **Light One Candle**

Light one candle for the Maccabee children with thanks that their light didn't die.

Light one candle for the pain they endured when their right to exist was denied.

Light one candle for the terrible sacrifice justice and freedom demand.

But light one candle for the wisdom to know when the peacemakers' time is at hand.

Don't let the light go out! It's lasted for so many years!

Don't let the light go out! Let it shine through our love and our tears!

## **Morning Star**

Morning star, O cheering sight, ere thou cam'st how dark earth's night! (repeat)

Light of love, in me shine.

In me shine, light of mine.

Fill our world with Light divine.

## **Pass on the Light**

See one tiny spark, still small and bright and hands cupped round to shield the light.  
A single flame born of desire, faces turned towards its glow.

[Chorus]

Pass on the light, pass on the light, within these walls steady and strong.  
Pass on the light, pass on the light, from night to dawn carry it on.

And still it shines on, year unto year, from one tiny spark to beacon clear.  
Each generation lighting our way, forward bright through the night.

[Repeat chorus]

## **Go Lifted Up**

Go lifted up. Love bless your way.  
Moonlight, starlight guide your journey  
Into peace and the brightness of day.

# Here Comes the Sun

Here comes the sun, doo da doo doo.

Here comes the sun, and I say

It's all right.

Little darling, it's been a long cold lonely winter.

Little darling, it seems like years since it's been here.

[Chorus]

Here comes the sun.

Here comes the sun, and I say

It's all right.

Little darling, the smile's returning to their faces.

Little darling, it seems like years since it's been here.

[Chorus]

Sun, sun, sun, here it comes

Sun, sun, sun, here it comes

Sun, sun, sun, here it comes

Sun, sun, sun, here it comes

Little darling, I feel that ice is slowly melting.

Little darling, it seems like years since it's been clear.

[Chorus]

Here comes the sun, doo da doo doo.

Here comes the sun.

It's all right.

It's all right.
