MESSAGE FROM THE HEADMASTER

Dear New Albanian

You have made one of the most important decisions of your life by choosing St Alban's College for this next phase of your education. You have embarked on a journey of discovery which will challenge you and hopefully allow you to explore the young man you want to become.

Journeys are always filled with expectation of the unknown and I would encourage you to embrace all the experiences you will engage with, as you embark on this next phase of your education. You are a unique individual and although we hope that you will develop a pride in your family and the College, we more importantly, want you to explore the vast potential which is you, by allowing yourself to enter the uncomfortable space of trying new things.

We will expose you to a broad range of experiences in the classroom, through your academic subjects which promote critical thinking, through a variety of sport, clubs and societies and Art, Drama and Music. Your time with us will be filled with rich and varied experiences and we are hoping that you will grow in stature as you engage with others and yourself on this unique journey.

St Alban's lives by the phrase: 'It takes a School with vision to prepare a young man for life' and we are committed to ensuring that your experiences here will hold you in good stead for the future. First and foremost, we hope you will become a true 'Guardian of the Truth' but more than this, we hope you will live out our values of kindness, compassion and courage and a commitment to do what is right! Ultimately, we want you to be a

Now you're Albanian⁴

change-maker for good in a world which is filled with many challenges.

Finally, be kind to yourself but always believe in your ability to learn and grow. Learn to work in teams and with others, develop your strengths and always be courageous and resilient in the face of failure because there is no doubt that you will fail from time to time. The important lesson, is to learn from your mistakes and to be courageous enough to own up to them so that you can develop into the man you want to become.

Never be afraid to ask for help, be optimistic at all times and strive to develop the connections which are going to enable you to feel like you belong here. I wish you a productive, rich and happy time with us. All the very best!

S M Kidwell, Headmaster

ABOUT ALBAN

Alban was the first British Christian to die for his faith. He lived in the town of Verulamium - now called St Alban's - in the days of the Emperor Diocletian (A.D. 284-305). He was still a pagan, when a priest who was fleeing from persecution found refuge in his house. Alban was so impressed by his guest's sincerity and his teaching that he accepted the gospel of Christ. When the authorities found out where the priest was hiding and came to arrest him, the church historian Bede tells us, "Alban, wearing the priest's long cloak, at once surrendered himself in the place of his guest and teacher, and was led bound before the judge." The judge threatened to torture him but Alban, "armed with spiritual strength," stood firm. He resolutely refused to deny his new Master by offering sacrifice to the Roman gods and suffered martyrdom as a result.

On the site where Alban was beheaded a shrine was built. Over the centuries this developed into a great church, called St Alban's Abbey.

From 1100 there was a school associated with the abbey. St Alban's School in England is one of the most ancient schools in the world.

Another famous St Alban's School is that in Washington, DC. This was established as the National Cathedral School for Boys in 1909.

A third school bearing the name of Alban, which was visited by our 1996 and 2007 rugby tourists, is San Albano Colegio, Buenos Aires.

When the first Anglican parish in Pretoria was established, it was named St Alban's parish; when the cathedral was built it was called St Alban's Cathedral; and when a diocesan boys' school was founded in 1963 it was also named in honour of the first British martyr.

Now you're Albanian!

THE SCHOOL COLLECT

Almighty Lord,
you blessed your martyr Alban
with great love and courage.
Grant that we in our day
may be faithful in love and service
and steadfast guardians of Your truth.
Through Jesus Christ, our Lord. Amen.

THE COLLEGE EMBLEM

The two emblems used in the coat of arms of the College, various College badges, and also the College flag are the GLAVE (which is also the title of the school magazine) and the MITRE (also the title of the school newsletter).

THE GLAVE is a short Roman sword, of the type that would have been used by Alban.

THE MITRE is the headdress of a Bishop, and it forms part of our coat of arms as it symbolises the fact that the College is an institution of the Diocese of Pretoria.

THE MOTTO

Custos veritatis - Latin for "Guardian of the truth".

Now you're Albanian?

THE HYMN FOR ST ALBAN

1. LAUD THE GRACE OF GOD VICTORIOUS
Sing triumphant o'er the foe
Tell of him, a martyr glorious,
For the changeless truth laid low
Faithful servant, Valiant soldier,
Whom all lands and ages know.
2. Craggy way and steep and narrow
Dark and drear the path of blood
Cruel foes were pressing round him
As he touched the Jordan's Flood
Yet he fought, a soldier valiant
And the enemy withstood.
3. Valiant Soldier, Proto-martyr,
First of Britain's sons to die,
Pagan ire and cries withstanding
By the grace of God most high.
By the strength of Him, Protector,
Who in strength and power was nigh.
4. Patient, humble like his master
He resigned a spirit calm
Crowned with coronal unfading
Now he bears a martyr's palm
Sheathing sword no longer needed
He took up the endless psalm.
5. Laud and honour to the Father
Equal honour to the Son
Adoration to the Spirit:
Ever three and ever one;
Consubstantial, co-eternal,
While unending ages run.

COLLEGE CODE OF CONDUCT

Behaviour, Honour, Truth...

At the College we strive to build a community based on
Respect, Honesty and Courage.

Good questions help us to make the right choices:

- Does this action mislead or deceive?
- Does this action give me or others an unfair advantage?
- Does this action deprive another person of his/her rightful property?
- Does this action hurt or disrespect another person?
- Does this action bring discredit to the College community and reputation?

In order to support the values which the College aims to uphold, as outlined in the Mission statement, as members of St Alban's College we:

1. Endorse the Bill of rights and Constitution of South Africa
2. Respect and uphold the rights and privileges of others. While we are members of an Anglican community, we respect the beliefs and cultures of all people and recognise the diversity of the different people in the community
3. Respect the property of the College, and of the community at large
4. Acknowledge our responsibility to adhere to acceptable standards of behaviour as defined in the Rules and Regulations of the College
5. Accept our individual responsibility to be fully involved and to strive to achieve our full potential
6. Accept the need to demonstrate good sportsmanship at all times

Now you're Albanian10

7. Accept responsibility; and acknowledge we are responsible for our actions.
8. Accept the agreed Code of Behaviour (Rules and Regulations) drawn up by the College.
9. Except in the cases of illness, Dayboys may not be absent from school or from games or from other compulsory school activities without permission having been obtained beforehand from the Housemaster.
10. The Headmaster expressly reserves the right to detain boys for misconduct or bad work.
11. The boarder houses at the College are out of bounds to day-boys unless permission has been granted by the Housemaster.

College rules concerning Substance Abuse:

1. The purchase, possession, use or distribution of any drug by a pupil while under school control is strictly prohibited.

While it is not our intention to abate the rigorous application of this rule, the School has also implemented mechanisms to help rehabilitate pupils who are in trouble, and they and their parents are urged to avail themselves of these mechanisms before a crisis situation is reached.

2. The purchase, possession, use or distribution of any intoxicating drink by any pupil while under school control is strictly prohibited.

With the Headmaster's permission a member of staff may offer a Matric wine or malt within the confines of that member of staff's home or at a designated College function.

Now you're Albanian11

Many parents will wish to teach their children the judicious use of alcohol. The College accepts that this may happen outside the school context but warns that

- a. no boy may consume alcohol without the prior knowledge and permission of his parents;
- b. no boy may consume alcohol in a public place while in school uniform or in any way identifiable as a pupil of St Alban's College;
- c. no boy may consume alcohol in contravention of the law whether in regard to age limits or drinking and driving;
- d. no boy may consume alcohol in such quantity that he becomes inebriated and by his behaviour brings the school into disrepute.

3. The purchase, possession, use or distribution of tobacco by any pupil while under school control is strictly prohibited. Smoking invariably leads to furtive behaviour and inevitably leads to disciplinary issues.

There are parents who allow their children to smoke. However, the College reminds parents that

- a. parents and College constitute a partnership in educating the child and should therefore be in agreement on basic norms and values;
- b. smoking is clearly harmful to health and should therefore be discouraged;

Now you're Albanian12

- c. smoking is addictive and therefore falls within the general purview of the school's policy with regard to substance abuse; and
- d. a pupil who smokes in a public place may bring the school into disrepute; therefore no boy may smoke in a public place while in uniform or in any way identifiable as a St Alban's pupil.

GENERAL GUIDELINES

DAYBOYS

Dayboys are required to become fully involved in activities provided by the College. They should endeavour to do as much prep at the College as possible. The Todd LEC building is an ideal place to do some academic work, so please be considerate and quiet when using this facility.

BEHAVIOUR

Boys may be punished for any behaviour which is unbecoming to a gentleman or which may bring discredit to the College.

APPEARANCE AND UNIFORM

We expect boys to be neat at all times. Shoes should be polished, shirts must be tucked in and clothes (including blazers) kept clean. All boys need to be clean-shaven before coming to school every day.

There are three varieties of school uniform:

- a. No. 1s (Number Ones): This refers to the complete uniform worn on formal occasions: white shirt, grey longs, grey socks, black shoes, belt and school blazer. When cold, a school jersey may be worn under the blazer.
- b. Summer uniform: grey longs, school shirt with badge, black shoes and belt. If very cold, the school jersey and/or the navy school jacket may be worn but this must be zipped up.
- c. Winter uniform: No. 1s OR summer uniform with tie, school jersey or navy school jacket. No sports uniform, tracksuit tops, 1st team tops or touring tops may be worn. The grey 50th Slazenger jacket can be worn until the end of 2018 by F4 or F5 boys who bought them from the school shop. The fleece top may be worn under the navy school jacket or if at school, it may be worn on its own.

Note: a Drimac can be worn with any of the above, but only when it is raining.

- Boarders travelling between home and school should wear No 1s.
- On the Gautrain, the Sandton bus, going to the local shops or an Uber, full No 1s must be worn.

Now you're Albanian14

- Boys who leave the school by bicycle or motorbike may do so wearing a tracksuit top or a Drimac (if it is raining) or in their sports clothes if they are going home after sport.
- Tracksuits may be worn for sport or when instructed to do so. If very cold, a fleece top may be worn under the tracksuit top. A fleece top may not be worn with Number 1s or in place of the tracksuit top /jersey / slazenger jacket. It can be used in houses, Saturdays after 5pm and Sundays. If the weather warms up, the fleece must be removed first.
- Jewelry: Pupils MAY NOT (apart from medic-alerts, or specific religious jewelry) wear bracelets, earrings, chains, tongue rings, nose rings or any other form of jewelry. Pupils wearing religious jewelry must ensure that it is not visible with any College dress. If it is visible, it must be removed. In special cases, proper representation must be made to the Deputy Headmaster and considered on its merits.
- No form of body art (tattoos) may be visible with any form of College dress or while playing sport.
- All boys are to arrive at School in the correct school uniform unless instructed to wear something else.

HAIRCUTS

The hair policy is underpinned by the fact that hair must be neat and tidy at all times. Hair must not draw attention to a boy.

Haircuts must adhere to the following: no patterns, no undercuts; no steps and lines, no comb-overs, but rather blended.

Hair must not touch the collar at the back, be over the ears, hang below the eyebrows or be raised up so as not to look natural. No dreadlocks allowed. Artificial substances, colorants, dyes and gels

Now you're Albanian15

may not be used.

DAILY ROUTINE

Roll call will be taken in each Boarding House at least twice daily; once in the morning (07h10) and once in the evening (18h40).

Dayboy Houses will have a Roll call at 07h10 each day. The names of the absentees must be submitted to Reception before the beginning of the first lesson each day.

"SUM" Pronounced "Soom". One of the first words you will hear Albanians using, and one which might confuse you to start with, is the word "Sum", used at roll-call when a boy says that he is present. It is an abbreviation of the Latin word "adsum", which means, quite simply, "I am present".

ACADEMIC RULES

1. Attendance at all lessons is compulsory.
2. Pupils must be punctual for all lessons.
3. Pupils may not leave class early.
4. Pupils must observe the integrity of space and property. Vandalism, defacing of posters, examining a teacher's desk etc. are not permitted
5. Prep assignments must indicate a certain level of application.
6. Pupils must look neat and be properly dressed - pupils will be inspected at Roll call each day.
7. Insolence, deliberate disruption of lessons, and disrespect towards teachers are regarded as serious offences and result in boys being removed from lessons and dealt with by their Housemaster and Deputy Headmaster. Such offences may also result in more serious sanction.

Now you're Albanian16

SPORTS POLICY AND RULES

- Games are compulsory at the College and all pupils are expected to take part in one of the regular sports at least twice a week. The only exception to this rule is for pupils in Form 5 in their final term, who may come off games with Housemaster's and Director of Sports recommendation, and Headmaster's permission.
- During his first two years, a pupil is expected to play at least one 'team game per term'. These include cricket, basketball, rugby, hockey, rowing, soccer and water polo.
- At St Alban's College we stand for the highest standards of sportsmanship and behaviour on and off the field. Winning at all costs is not a part of our games ethos.
- Academic matters always take precedence over sporting matters. However, every effort will be made to allow a pupil to fulfil his academic, sport and extramural commitments.
- Off Sport: Under no circumstances are pupils who are "off sport" to take part in sport without the express permission of the school Sister. Such permission will be communicated to Housemasters. Any pupil who is admitted to the San during a weekday morning may not play sport that afternoon.

Pupils who are absent from school because of illness, may not represent school or House teams which play on the day of their absence from class. Under normal circumstances, a pupil who is absent from any classes on a Friday, on medical grounds, may NOT play games on the Saturday.

SPORTS PRACTICES AND CODES

Seniors: Monday, Wednesday, Thursday

Juniors: Tuesday, Wednesday, Thursday

Minor sports will take place on a Monday (Juniors) and a Tuesday (Seniors) and some Friday afternoons (matches)

Matches: There will be matches for all team sports on Saturdays in accordance with the sports fixtures schedule.

These are the sports codes offered at St Alban's College:

Summer Sports	Winter Sports	Minor (Individual) Sports
Basketball Cricket Rowing Water Polo	Hockey Rugby 1 st squad Basketball Soccer (late season)	Golf Squash Tennis Athletics Swimming

Each sport has its own set of rules with regard to the clothing and kit required. This will be explained to you at the first practice sessions.

EXTRAMURAL ACTIVITIES

Each boy in the school is required to join at **least one** club/society. Normally, though, most boys find that they do far more than this each week - you are encouraged to do more as well. Here is all the Clubs that are on offer.

THE SCHOOL BUILDINGS AND GROUNDS

ACADEMIC TEACHING BLOCKS

Todd Learning Enhancement Commons (LEC)

This multi-purpose centre is the building that is on the right when entering the College from the front car park. It is used for group and individual study sessions, seminars and combined lectures. This building also houses the Library and the Staff Common Room.

Struben Block

This is the main northern school block of classrooms. The downstairs classrooms are numbered 1 - 9; upstairs they go from 10 - 19.

H.D. Wilson Block

South of the Struben Block, it houses the Business Studies and Accounting rooms. The French rooms and Biology labs are upstairs. The Lecture Theatre, Art Room and the Old Library are downstairs.

Nupen Science Block

It situated between the Wilson and Struben blocks and lies to the east of these buildings and at the bottom of the slope from the Todd LEC.

HOUSES AND COMMON ROOMS

Dayboy Complex

De Beer House, Knapp-Fisher House and Murray House common room for each House, along with studies, Housemaster studies and sports change rooms. Adjacent to the Amphitheatre on Butcher Drive.

Knoll House – Boarding

North of the Struben Block, and is home to the Knoll House boarders. This was the first boarding house built.

MacRobert House – Boarding

This is home to MacRobert House boarders and is on Beaumont Avenue, overlooking Moshate field.

Ochse House – Boarding

The home of Ochse boarders, it is situated North of MacRobert House and east of the Chapel at the end of Beaumont Avenue, overlooking Moshate and Wormser fields.

Now you're Albanian²⁰

John Tsebe – Boarding

The home of boarders/weekly dayboys, adjacent to the Auditorium.

IMPORTANT BUILDINGS

Amphitheatre

This is used for school Chapel (Mondays and Wednesdays) and assemblies on Thursdays. It is next to the Dayboy complex and looks over Butcher Drive and onto Leseding (Astro).

Chapel (out of bounds until further notice)

This is one of the few original farm buildings on the campus that is still used by the school for the same purpose. Meant as a temporary place of worship, it still is the place where the College meets for services.

Hamilton Hall

This is the school hall, used primarily as a dining hall for all boarder meals and dayboy lunches.

Auditorium

Positioned between the Hamilton Hall and Beaumont Drive, this is the centre of music training and performance.

Chamberlain Block

Built thanks to several generous donations by the Chamberlain family over the years, this is where the Headmaster, Deputy Headmasters, the Director of Academics, Finance and Administration departments are housed. Visitors or anyone else requiring information should enquire at reception.

School Shop

The Von Geusau Centre (named in memory of Gerry von Geusau, a College Founder) has been renovated to house the shop. It is situated on Beaumont Avenue opposite the Sanatorium.

@thegreyandblue

This is a building that is situated in front of the tennis courts and next to Leseding. It was referred to as "South Cottage", because that was the name of the building before it became @thegreyandblue. It now serves as a coffee shop/hosting venue.

Now you're Albanian21

Marsh Medical Centre - San

This building is situated between the pool and the Von Geusau Centre and is on Mike Beaumont Avenue. It is where the San Sister and the physiotherapists have their base.

Tom Hamilton Wellness Centre

The building attached to the main stand at the Waterpolo and Swimming pool. The gym and conditioning centre are included, as well as the tuckshop.

Sports Offices and Conditioning Centre

The offices of the sports staff are housed in the Tom Hamilton Wellness Centre.

Anton Murray Pavilion

This cricket pavilion houses change rooms and the tuck shop and overlooks the T C Mitchell oval. Boys are not allowed upstairs unless invited or instructed to do so by a member of staff. It is named after the founder Headmaster.

Westhill

This is the name of the Headmaster's house. It is next to the College main entrance.

FIELDS

Leseding

Sepedi for 'Place of Light' it is Hockey Astro and is situated south of Butcher Drive. It is next to the tennis and basketball courts.

Moshate

The field immediately below MacRobert House. It is a Sepedi name, meaning "Place of the lion". Depending on the season, it is the main rugby field, a cricket or a soccer field.

T C Mitchel Oval

To the east of Moshate. It is the main cricket field cricket oval and is named after a founder of the College.

Baloyi Field

The east field of the Murray field group of pitches and fields.

Now you're Albanian22

Murray Fields

The group of fields south of Butcher Drive and east of Leseding — used as rugby, cricket fields and for athletics. They are named after the founder Headmaster.

Wormser Field

To the North of Moshate and the Oval. Named after Mr Joe Wormser, the first Estate Manager.

HELPFUL INFORMATION

BADGES AND TIES

One of the things that you might find confusing when you first arrive is the array of badges and ties that you will see different boys wearing. There are altogether four different badges and accompanying ties worn at the school by various boys. These are:

- a. The normal striped tie and school badge.
- b. The Prefect's tie and badge is a silver glave and mitre on a blue tie or pocket.
- c. The College Prefect's tie and badge, which is a silver glave surrounded by a laurel wreath and with a mitre above it.
- d. The Honours Award tie and badge, which is similar to the College Prefect's except that there is a simple outline of a shield instead of a wreath.
- e. Academic, Cultural and First Team ties also exist.

BLAZERS

All boys who have been awarded Honours or Colours are entitled to wear a white cable braid on their blazers. If a blazer has braid on the pockets and cuffs only, the boy has Half-Colours.

BOUNDS

Running the bounds is a tradition at the College, and the Goldblatt trophy, which is awarded to the House that has done the best during the year, is fought for with spirit. There are two bounds runs every term for the whole school, but each of the houses has regular runs as well.

MUSIC

The St Alban's College Barbershop Boys, Band, Choir and Ensembles are the official music groups that aim to develop young musicians and offer quality entertainment at the same time.

The main focus of the St Alban's College Music Department is on enjoyment. Our philosophy is that music is to be enjoyed by performers and audience members alike; therefore our performances can be vibrant - portraying enthusiasm, movement and exhilaration - but also intimate, personal and heart-warming. We often get similar responses from the audience members and that is our best reward.

Music is about communication, and what better way is there than to establish open two-way communication through performance?

THE LIBRARY

It is situated in the Todd learning Enhancement Commons. We hope that you will make considerable use of the library, for this is the way to become a properly educated person. All that we ask is that you adhere very closely to the library rules which are very simple, and that you always take very good care of the books that you borrow from the library and return them so that someone else can enjoy them.

SCHOOL UNIFORM SHOP

The shop is open daily during term time. Please consult the Communicator or posted notices on the gate for exact times as well as times for Saturdays as well opening times before the start of a new school term. As well as all the required school uniform, South Cottage stocks toiletries, laundry markers, gum guards and

Now you're Albanian²⁴

padlocks for the boys, and also a range of supporters clothing such as golf shirts, panama hats and Slazenger jackets. Please contact South Cottage Manager, Mrs Goodbrand, on 072 935 8103, should you have any queries.
