PROJECT TITLE:

AMOUNT OF FUNDING
REQUESTED:

The mission of Silver Gummy Foundation is to use education as a means of violence, primarily sexual and domestic violence. Harmful notions of masculinity and femininity that can lead to negative behaviours are largely formulated in childhood. With this in mind we hope to speak to youth while their outlook on gender is still developing.

We fund projects/organizations that are innovative and strive for achievement in the area of gender education with today's youth. As part of our evaluation process you and your organization are willing to communicate and collaborate with other stakeholders.

Please provide your answers to the following questions. For the Proposal Summary, please provide this on your organization's letterhead.
