## GENERAL LOREN RENO

VICE PRESIDENT FOR ACADEMICS CEDARVILLE UNIVERSITY

AUTHOR OF "10 LEADERSHIP MANEUVERS: A GENERAL'S GUIDE TO SERVING AND LEADING"

The best leadership skills are Bible-based, and they work! Three-star General Loren Reno practiced leadership at the highest levels in the US military. Reno's skills brought him success in small and large organizations, at junior and senior positions, in times of prosperity, and in times of challenge. Servants become the best leaders, and they keep serving after ascending to bigger jobs. Seeking to serve is different than just serving. Successful leaders hold themselves and others accountable. General Reno's teaching is anchored in Scripture, and filled with the insights, principles, and stories of success, failure, humor, and regret with exceptional leadership credentials.

General Reno was the inaugural dean of Cedarville's School of Business Administration and served there from 2012 to 2015. Before that, he served and led the U.S. Air Force in operations, maintenance, training, and logistics positions, culminating in an assignment as the headquarters U.S. Air Force Deputy Chief of Staff for Logistics, Installations, and Mission Support. He served for 38 years and retired in 2012 in the grade of Lieutenant General.

General Reno is in his second year as the Vice President for Academics and the Chief Academic Officer at Cedarville University. He oversees more than 350 faculty members, 100+ graduate and undergraduate programs, and the academic preparation of more than 3,700 students.

He is married to Karen Reno; they have three children and three grandchildren.
