Happy National Volunteer Week!

In recognition of National Volunteer Week, PRERNA wishes to recognize each of our volunteers across the country for their dedication and commitment to supporting refugee families who are resettling in the U.S. We want to especially thank those who are long-term volunteers. You have helped shape PRERNA and made a major impact to your community by giving to people in need.

Inspire & Be Inspired

Join PRERNA at the 2nd Annual Event of W.I.N.S. (Women's Inner Strength) for an inspiring afternoon. Initiated as a lean-in group, W.I.N.S. is focused around empowering women to reach their highest goals no matter what their career.

When: Saturday, April 21, 2018
Time: 12:30pm to 5:30pm
Where: Dolce Hayes Mansion, San Jose

This year’s theme is Entrepreneurship and there is an amazing line up of renowned speakers. Highlights include a panel session, a pitchfest, networking opportunities and a surprise activity. The registration fee is $35 per person and 50 percent of all proceeds will be donated to PRERNA this year to help refugees rebuild their lives. We welcome walk-in registrants on Saturday. Be sure to sign up today to reserve a seat!

Join PRERNA As A Volunteer

If you are interested in joining our team, there are many opportunities available. Help welcome a refugee family on arrival, tutor children or contribute in the areas of fund development, marketing or research. Options are available to help refugees directly or support PRERNA remotely. See some of our current openings.

PRERNA is pleased to announce a new partnership with Learn To Be, a non-profit organization that provides free, 1-on-1, online tutoring to K-12 students in STEM, reading and writing. As part of its charter to help underserved communities, Learn To Be is offering its services to improve and enhance the education of the refugee students that PRERNA supports in the Bay Area.
