Complete an application online by clicking the 'Online Application' link on the website. Once an application is completed, you will receive an 'Attendee ID' confirmation along with a confirmation email. Use this ID when making an online payment by following the instructions on the website. If you cannot locate your ID after completing the application, simply email essyi@hws.edu and your ID will be sent to you. If a student has already been accepted without using the online application and an online payment is needed, an Attendee ID is still required and a new application must be completed to access the payment screen. In this case, simply fill the online application boxes in with 'Xs' and press the submit button to be assigned an ID (be sure to fill in your email address correctly to receive it).
