Art Exhibition and Fundraiser benefiting Planned Parenthood IL

In solidarity with sister events around the globe, come together for Nasty Women Art Chicago! Join us to see and hear the voices of artists identifying as Nasty Women, who reject the current administration's efforts to roll back the rights of women, minorities, and the LGBTQ community. Spread the word. Show your support. Attend and take home original artwork.

- Free event with music, speakers and more
- Artist submissions open March 5
- Artwork priced from \$25–\$200
- 100% of profits will benefit Planned Parenthood IL

Together we have the power to change minds and hearts. See you there!
